VOL IX. FRIDAY, MARCH 15, 1901. NO. 16

Highland Park. Best corsets for \$1.00 at Mrs. Bohl's. Mrs. A. G. McPherson is suffering from a severe attack of the gripe. Ed. Ingalls of Elgin, spent a few days last week, with his brother, the doctor. C. W. Hilliard has taken the Henry C. Street house again and will be out soon. See A. Abercromby, the gas fitter's new display ad. in this issue. Mr. Andrews moved his family into their new home just below Mrs. Small's, Saturday last. Your name engraved on fifty cards with plate for ninety-five cents. C. M. Schneider, Jeweler. DeWitt C. Purdy is building a new and spacious porch in front of his residence on Central avenue.

Supervisor McDonald has spent most of the week in Waukegan attending the meeting of the county board. Have you tried Schumacher's antiseptic Tooth Powder. It preserves and cleans the teeth and purifies the breath. Mr. Matteson's family is expected down here soon from Waukegan into their new house just east of Dana Sweetland on Hazel Avenue. The John T. Raffin house on east Central avenue is in the market and is one of the most desirable pieces of property in this city either as a residence or an investment. Special inducements for March at The Ladies' Bazaar. Mrs. Bohl, Tel. 302. Capt. O. H. Morgan proposes to help set up a good honest capable city government and then go to Europe for the season, his family will accompany him we understand. There will be special services at the Ebenezer church Sunday evening next, March 19th. Prof. F. W. Heidner of Naperville, Ill., officiating. Every body is welcome. Kenneth Boulton and Henry C. Street are recuperating for another season's golf campaign among the everglades of Alabama and hauling red snappers out the Gulf of Mexico. James H. Duffey, our city express man, and tax collector, has been very sick with rheumatism, but the tax collecting is still going on. So my fellow citizens pay up before the books close. Save a dentist bill by using Schumacher's antiseptic tooth powder. The man who has the charming Stubbs cottage is Mr. Doty. A young man with a wife and two children. So well pleased is he with the place that he has leased it for three years. Mr. and Mrs. P. A. Montgomery returned to their home last Thursday. They came six weeks earlier than they expected to on account of the mischief done in their house last Saturday by burglars. All kinds of music boxes cleaned and repaired by C. M. Schneider the jeweler, Highland Park and Winnetka. That Theodore Watson will make a good justice of the peace goes with out the saying. A man who can manage an institution like the Rail

Road Men's Home as he has done, has the judicial tone and temper already developed. Do not forget, cheerful taxpayer, that next week Wednesday Town Collector James H. Duffey sends his books to Waukegan and when you will have to go up there to pay your taxes and soon there will be extra expenses added, to be paid also. Sewing machines cleaned and repaired by C. M. Schneider, the jeweler, Highland Park and Winnetka. One bird don't make a summer, but the arrival of C. C. Yoe's horses, carriages, and coachman "Yoe-lands" seems to indicate that the proprietor and his wife, who are wintering in California, may be expected in the Park at an early day. The town will be well served whether James H. Duffey or Robert C. Raffin is elected collector. Both are young men, capable, honest and reliable. Mr. Duffey has a wife and baby, while Raffin is not so far along as a citizen of the world. Both are good men. Fred Schumacher is making something entirely new in chocolate candy. Stop in and sample it. We have not heard any thing from "Yoe's Boy" since our visit to Chicago several weeks since, trust he has not forgotten the Park, but the wedding will bring him out soon. These society young men attend everybody's wedding but their own. Rev. A. A. Pfanstiehl and family leave on the 9:30 train next Monday for Chicago to take the 3 p.m. train for Newport and sail for Europe on S. S. "Kensington" Red Star line, next Wednesday noon. They will be gone four months. A cup of delicious coffee, makes a good breakfast. To have the best you must buy Seal Brand Java and Mocha. F. M. Evans, Sole Agent. Charles H. Baker is running for a justice of the peace on the "Citizens' Ticket". He don't want to be called "Judge" till after election, for he knows a nomination is not an election. All right, Judge Baker, your wishes shall be respected. Mr. and Mrs. Whiteside of Champlain N. Y. are visiting at her parents' Mr. and Mrs. G. D. Boulton's home. It kind o'looks as though a coming event was casting a shadow before, though we have not noticed any unusual stir across the street from Ravinook. But then Lent is not over yet. Rev. A. A. Pfanstiehl and family start for Europe Monday sailing from New York the 20th. The only thing that perplexes him is how he is going to get along over there this summer without the weekly perusal of the NEWS-LETTER. He gets well provided with the American Express company's cash checks. Ward W. Willett who has the J. L. Ball place last summer and entered his neighbors with Irish songs, speeches, etc., from a gramophone, has taken the H. H. Chandler house over on Sheridan Road and will become a permanent resident of the

city, gramophone, hibernian songs and all. Sorry to have him leave our lovely neighborhood. Every body is delighted to learn that Harvey S. Denison is to be the manager of the Moraine Hotel this season. He is a man with a rare and varied experience as a hotel manager, having succeeded in town and country, at the seaside, in the south and every where in fact, and always with honor to himself and satisfaction to his patrons. A. Abercromby is prepared to do Gas Fitting at the most reasonable rates. The Gospel Meetings held at Fort Sheridan Park, Sunday evenings, have been attended by large crowds, all of whom have enjoyed and appreciated the services. Next Sunday evening, Prof. Whyte will be assisted by the chorus choir of the Waukegan Baptist church, also Herr Berne, a celebrated violinist of Chicago. All are cordially invited to attend these meetings. Sparkling Spring Water, 10 gallon can, 80 cents. No charge for delivering. Wm. Tillman, P. O. box 459, Telephone No. 494. Some of the good Presbyterians don't see how they can spare Pastor Pfanstiehl four or five months for a trip to Europe. See here, good friends, refuse to spare him now for a bit of rest and recuperation or you may have to spare him permanently. We know a church which could not spare it's pastor for a brief vacation. It has already spared him five years for like the prophet of old, "he is not for the Lord took him." We hear some very fine people are a bit disturbed over the settlement among us of some excellent families of the Hebrew faith. Tastes do differ, but why object to the sons and daughters of Abraham. We don't object to them, rather we commend them, for they pay their bills one hundred cents on the dollar every time and pay promptly and cheerfully any obligation they make. That kind of a thing goes a great way with us. We will welcome the Hebrews here. The many friends of Mr. and Mrs. Stubbs will be pleased to learn that their little family has been increased by one since they left us last fall for Cleveland. We don't know the exact age or sex of the cherub but what interests us most is the fact the genial Alderman will be saluted "papa" twice as often as before and another pair of baby hands will be tugging at his whiskers every evening after dinner as he in true patriarchal style holds one little one on each knee and sings nursery songs to them. Anyone thinking of piping his home for gas will get reasonable rates by calling on A. ABERCROMBY, Central Ave.

On next Tuesday Rev. A. Haeefele will start for Aurora, Ill., to attend the annual session of the Illinois conference of the United Evangelical church. The session begins on Thursday, Mar. 21, and will continue till Monday or Tuesday of the week following. Whether the present

pastor of the First United Evangelical church of this city will be returned for another year will be determined at this session of the Annual Conference by the powers that be." Mr. Paul Gieser has been elected the delegate to represent the Highland Park congregation at the above named conference. Geiser Bros. will handle the Magnesia Spring Water this season. We are sorry to announce the sudden death of Charles H. Smith of Pomona, Tenn. a former well known and highly esteemed citizen of this city. While here he was engaged with John H. Chapman and others in the manufacture of baking powder, essences, etc., in which they were very successful. Mr. Smith died last Friday at his home of pneumonia, he was sick only five days. Mrs. Smith, as many will remember, made a visit here last fall and was very enthusiastic over the climate etc., of Pomona. Soon after her return she sickened and died. Her death was a terrible blow to her husband as we learned from letters received from him. Beyond this we have no particulars. Mr. A. Abercromby, the plumber is doing a large quantity of gas fitting in stores and residences in the Park. There are a great many people here who do not know that they can secure the best figures from a private gas fitter, and have the work done in a neat and first-class manner. J. H. Sheaben, the milkman, is a candidate for constable on the citizens ticket. Mr. Sheaben is a resident who is well known to the people of this city and will, no doubt, make a good man for that office.

Ossoli Club. In the Ossoli Year Book the subject for the fourteenth of March is given as; "Children's Choices in Literature" and the essayist, Miss Edith Ewing Schwarz. Although Miss Schwarz is spending the winter in New York she did not forget the Ossoli and carried out her part in its programme as far as she could by writing her paper and sending it on to be read for her before the club. Miss Schwarz was most fortunate in learning the opinion of many of our prominent literary men and women upon the topic under consideration and also upon the question: "To what extent should children's reading be directed" which was part of the subject and it was very interesting to learn the views of such writers as, George W. Cable, John Burroughs, Julian Hawthorne, Sidney Lanier, Mrs. Custer, Annie Rives and Edmund Clarence Stedman. Miss Schwarz had access to letters recently written by these and many other well known writers in answer to a similar query and the writers in most cases, told of their own childish reading as well as of their advice for the children of to day. Miss Harrington accompanied Miss Jennie Wainwright who sang three of the St. Nicholas songs and Miss Everett and Miss Hawkins poured tea for Mrs. Carver who was hostess for the afternoon.

City Against Lindblom. The famous, or rather infamous, case of the city of Highland Park against Lindblom and Davidson was tried yesterday at Waukegan before Judge Donnelly. The city attorney at the last moment at Waukegan proposed to dismiss the matter if the defendants would pay the costs. The defendants were in no mood to indulge in any such proceedings and insisted upon trial. The result was, a jury having been waived, that the judge rendered decision in favor of the defendants. While of course his manner was dignified, his language was unmistakable in pronouncing the whole proceedings decidedly irregular, to say the least. It now remains for the defendants to take the aggressive. The people of Highland Park have been very indignant about this case from the beginning, and there is no little rejoicing at the final outcome of it. Citizens' Ticket. Supervisor—David A. Holmes. Have You Seen Them? Two pair elegant Battenberg curtains. Only a few tickets left. Mrs. BOHL, "The Ladies Bazaar." The Chicago Telephone company's toll rate between Highland Park and Winnetka has been reduced from 20 to 15 cents, taking effect March 6th. C. F. FORD, Mgr. Highland Park.
