A Statement From L. O. Van Riper, To THE VOTERS OF HIGHLAND PARK:—I wish to state my position in the coming election next Tuesday for mayor.

I am an Independent candidate for that office, in every sense of the word.

I am not being run by political bosses, nor am I seeking the office for personal gain. I have no reasons for entering into the race, other than to try and protect the city's rights and good name.

I have served the city for the past two years as alderman and the council records will show that I have attended to all the duties assigned to me, as a business man should. In every instance the city's rights have been upheld and with a little more care on the part of the men elected to the various offices, the city could save many dollars that are expended yearly unnecessarily. Having served on the Finance Committee I am in a position to know that such is the case.

As a member of the Local Board of Improvements I have fought for proper improvements on our streets and personally protected the city's land from theft by being fenced in. This case is too well known to need any further mention. Hundreds of dollars worth of the city's lands could be redeemed if its representatives were not afraid of their political future.

I know that I have made a few enemies by not showing favors, or in other words, giving away something that I have no right to.

By a few people I have been termed "hot-headed." Well, all I have to say about that is, let those same people serve two years on the council and they find that it is enough to drive a man mad to see the actions of that body at times. The greatest mistake that could be made is in giving the committees too much power. Matters of importance are often referred to them, and they are lost sight of for months, and when finally brought up to be considered no one remembers anything about them but the committee. But the majority of the aldermen vote "aye" just the same.

Our city is too heavily burdened to be trifled with in this manner, and if the citizens do not come forth and assist in downing these political "bosses," they will be the loser.

"I am for the city's rights first of all." Yours very truly, L. O. VAN RIPER.

New Express Line.

The Brinks' Express Company of Chicago has made a contract with the Chicago & Milwaukee Electric railroad to carry its express shipments from Chicago to points along its line as far as Waukegan.

The first shipment reached Highland Park about 7:00 o'clock yesterday morning and they will arrive once a day from now on and twice a day later in the summer.

The company has already put on wagons.

A CONVENIENT METHOD.

The plan of the Brinks' Express company is to deliver small packages. Persons buying goods anywhere in Chicago can have them turned over directly to the company and for 10 or 15 cents have them delivered at their home. This is of course for medium-sized packages.

Bring your job work to the NEWS-LETTER office.

THE HOME GOLD CURE.

An Ingenious Treatment by which Drunkards are Being Cured Daily in Spite of Themselves.

No Noxious Doses. No Weakening of the Nerves. A Pleasant and Positive Cure for the Liquor Habit.

It is now generally known and understood that Drunkenness is a disease and not weakness. A body filled with poison, and nerves completely shattered by periodical or constant use of intoxicating liquors, requires an antidote capable of neutralizing and eradicating this poison, and destroying the craving for intoxicants. Sufferers may now cure themselves at home without publicity or loss of time from business by this wonderful "HOME GOLD CURE" which has been perfected after many years of close study and treatment of inebriates. The faithful use according to directions of this wonderful discovery is positively guaranteed to cure the most obstinate case, no matter how hard a drinker. Our records show the marvelous transformation of thousands of Drunkards into sober, industrious, and upright men.

WIVES CURE YOUR HUSBANDS! CHILDREN CURE YOUR FATHERS!

This remedy is in no sense a nostrum but is a specific for this disease only, and is so skillfully devised and prepared that it is thoroughly soluble and pleasant to the taste, so that it can be given in a cup of tea or coffee without the knowledge of the person taking it. Thousands of Drunkards have cured themselves with this priceless remedy, and as many more have been cured and made temperate men by having the "CURE" administered by loving friends and relatives without their knowledge in coffee or tea, and believe today that they discontinued drinking of their own free will. DO NOT WAIT. Do not be deluded by apparent and misleading "improvement." Drive out the disease at once and for all time. The "HOME GOLD CURE" is sold at the extremely low price of One Dollar, thus placing within reach of everybody a treatment more effectual than others costing \$25 to \$50. Full directions accompany each package. Special advice by skilled physicians when requested without extra charge. Sent prepaid to any part of the world on receipt of One Dollar. Address Dept. A. 631, EDWIN B. GILES & CO., 2330 and 2339 Market St., Philadelphia. All correspondence is strictly confidential.
