Knights by King Christian.

Dr. Christian Fenger, the well-known surgeon, has been knighted by King Christian IX. of Denmark in recognition of his eminent skill. Through Constantine Brun, Danish minister in Washington, he has received the Order of the Cross of Danneborg, a beautiful specimen of the jeweled art, which bears the inscription: "God og Kongen" (God and the king), the top piece being formed by the letters C and R, standing for Christian, Rex, intertwined in finely chiseled gold with IX. and the royal crown of Denmark.—Chicago Record-Herald.

Kenilworth, open 7 a. m. to 7 p. m.

A Gentle Hint.

In our style of climate, with its sudden changes of temperature—rain, wind and sunshine often intermingled in a single day—it is no wonder that our children, friends and relatives are so frequently taken from us by neglected colds, half the deaths resulting from this cause. A bottle of Boschee's German Syrup kept about your home for immediate use will prevent serious sickness, a large doctor's bill, and perhaps death, by the use of three or four doses. For curing Consumption, Hemorrhages, Pneumonia, Severe Coughs, Croup, or any disease of the Throat or Lungs, its success is simply wonderful, as your druggist will tell you. Get a sample bottle from G. B. Cummings. Regular size, 75 cts. Get Green's Prize Almanac.

"Something New Under the Sun."

All doctors have tried to cure Catarrh by the use of powders, acid, gases and inhalers and drugs in paste form. The powders dry up the mucous membranes, causing them to crack open and bleed. The powerful acids used in the inhalers have entirely eaten away the same membranes that their makers have aimed to cure, while pastes and ointments cannot reach the disease. An old and experienced practitioner who has for many years made a close study and specialty of the treatment of Catarrh, has at last perfected a treatment which, when faithfully used, not only relieves at once, but permanently cures Catarrh, by removing the cause, stopping the discharges, and curing all inflammation. It is the only remedy known to science that actually reaches the afflicted parts. This remedy is known as "Snuffles the Guaranteed Catarrh Cure" and is sold at the extremely low price of One Dollar, each package containing internal and external medicine sufficient for a month's treatment and everything necessary to its perfect use.

"Snuffles" is the only perfect Catarrh Cure ever made and is now recognized as the only safe and positive cure for that annoying and disgusting disease. It cures all inflammation quickly and permanently and is also wonderfully quick to relieve Hay Fever or cold in the head.

Catarrh, when neglected, often leads to consumption—"Snuffles" will save you if you use it at once. It is no ordinary remedy, but a complete treatment which is positively guaranteed to cure Catarrh in any form or stage if used according to the directions which accompany each package. Don't delay but send for it at once, and write full particulars as to your condition, and you will receive special advice from the discoverer of this wonderful remedy regarding your case without cost to you beyond the regular price of "Snuffles" the Guaranteed Catarrh Cure. Sent prepaid to any address in the United States or Canada on receipt of One Dollar. Address Dept. 1, Edwin B. Giles & Co., 2330 and 2332 Market St., Philadelphia.
