THE HOME GOLD CURE.

In Ingenious Treatment by which Drunkards are Being Cured Daily in Spite of Themselves.

No Noxious Doses. No Weakening of the Nerves. A Pleasant and Positive Cure for the Liquor Habit.

It is now generally known and understood that Drunkenness is a disease and not weakness. A body filled with poison and nerves completely shattered by periodical or constant use of intoxicating liquors, requires an antidote capable of neutralizing and eradicating this poi-

son, and destroying the craving for intoxicants. Sufferers may now cure themselves at home without publicity or loss of time from business by this wonderful "Home Gold Cure," which has been perfected after many years of close study and treatment of inebriates. The faithful use according to directions of this wonderful discovery is positively guaranteed to cure the most obstinate case, no matter how hard a drinker. Our records show the marvelous transformation of thousands of drunkards into sober, industrious and upright men. Wives cure your husbands! Children cure your fathers!

This remedy is in no sense a nostrum, but is a specific for this disease only, and is so skillfully devised and prepared that it is thoroughly soluble and pleasant to the taste, so that it can be given in a cup of tea or coffee without the knowledge of the person taking it. Thousands of drunkards have cured themselves with this priceless remedy and as many more have been cured and made temperate men by having the "cure" administered by loving friends and relatives without their knowledge in coffee or tea, and believe today that they discontinued drinking of their own free will. Do not wait. Do not be deluded by apparent and misleading "improvement." Drive out the disease at once and for all time. The "Home Gold Cure" is sold at the extremely low price of One Dollar, thus placing within reach of everybody a treatment more effectual than others costing \$25 to \$50. Full directions accompany each package. Special advice by skilled physicians when requested without extra charge. Sent prepaid to any part of the world on receipt of One Dollar. Address Department A 631, Edwin B. Giles & Co., 2330 and 2332 Market St., Philadelphia.

HIGHWOOD.

How about it Clem, understand you landed on top.

Capt. Bradley called on friends at the Fort yesterday.

Charlie Barkhart and Harris, our favorite comedians, are making a hit at the Park this week.

Miss Lelia Catlow of Evanston, is spending a few days visiting Miss Mae Welch at Lake Forest.

Col. Comba has returned from the Philippine Islands and will remain at Fort Sheridan for a few weeks.

Capt. Palmer, who has been on leave for two months, expects to return to Manila about the middle of July.

The Chicago and Milwaukee Electric railway have double tracks from Helm's Crossing to Post gate completed.

Judge Hibbard was up here Thursday morning about the new city directory and we hope we will see that our Park people's names are in it.

Mrs. Loyd Wheaton has been in St. Paul the past few days visiting her son, Dr. Wheaton, who was in attendance at the medical convention held there.

Miss Partello, who has been attending Notre Dame Academy, Baltimore, Md., has returned to Fort Sheridan to spend her vacation with Capt. Madden.

Photographer Horne has his hands full now taking photos of the boys for friends at home, some of them perhaps for their dusky sweethearts in the faraway Philippine Islands.

Mr. Newsomes has moved from the Oleson cottage into a larger house up on the other side of the street nearer the switch, so he can jump off his car and leave word at home while on duty.

The house that was burned out a year or two ago, having been repaired, is now being painted and made ready for use. We guess the workmen had to mix a couple of bottles of beer with the paint this hot weather to make it stick.

The Sweeneys whipped again, early this morning James Sweeney started on his milk journey when he came across the trackmen of Chicago and Milwaukee Electric Railway Co. and ordered them to fill a hole near their premises they had just made for a post, this they refused to do. Jim grabbed Clem Merriman's shovel, whereupon he was promptly knocked down. He then went home and returned with the entire Sweeney family, who come down and started a free for all fight, the Sweeneys being defeated, walked back home apparently satisfied.
