SIDEWALK ORDINANCE. AN ORDINANCE providing for the construction of a plank sidewalk on the west side of First street in the City of Highland Park, Lake County, Illinois.

Be it ordained by the City Council of the City of Highland Park: SECTION 1. That a plank sidewalk be constructed and laid in the City of Highland Park, in, upon, and along the west side of First street from the north line of section Twenty-three, township Forty-three, range Twelve, in said City of Highland Park, thence northerly to the north corporate limits of the City of Highland Park.

Said sidewalk shall be constructed and laid according to the following specifications, directions and provisions, namely: Said sidewalk shall be five feet four inches wide. The inside line or edge of said sidewalk when completed shall be at a distance of eighteen inches from the lot or lots which touch or abut upon the line of such sidewalk.

Said sidewalk shall be so constructed that the grade of the top of said sidewalk shall, when completed, be six inches above the surface of the ground at the point where said sidewalk is laid. Said sidewalk shall be constructed of good pine lumber of sound quality of two-inch planks dressed on one side, each plank to be not less than six nor more than ten inches in width and each plank to be five feet four inches long, which shall be laid crosswise with the dressed side up and cut to a true line so that the inner and outer edges of said sidewalk shall be parallel with the lot line upon which said sidewalk touches or abuts; said planks to be laid on three bearings of hemlock joist of sound quality, set one bearing in the center of said sidewalk and one bearing on each side of said center bearing and two feet therefrom, so that the inner and outer edges of said sidewalk shall be parallel with the narrowest side. Each plank shall be nailed to the bearing with six thirty-penny nails, two to each bearing.

Provided, however, that the owner of any lot or parcels of land touching upon the line of said proposed sidewalk shall be allowed thirty days after this ordinance shall have been published in which to connect said sidewalk along the side of his lot or piece of ground, and thereby relieve the same from the special tax herein provided to be levied thereon for the construction of said sidewalk.

Said materials and construction shall be under the supervision of and subject to the approval of the foreman of street work of the City of Highland Park.

That so much of said improvement as shall not be made by said owners within the time aforesaid shall be made by said city, and the cost thereof to be wholly paid for by special taxation of the lot, lots or parcels of land contiguous to and touching upon the line of so much of the proposed sidewalk as shall be built by said city by levying the whole cost thereof upon such lot, lots or parcels of land in proportion to their respective frontages on said proposed sidewalk, built as aforesaid.

Sec. 4. In case of failure to collect said special tax in the manner aforesaid, the City Clerk shall within one year thereafter report of all such special taxes in writing to the County Treasurer and ex-officio County Collector of Lake County of all the lots or parcels of land upon which such special tax shall be so unpaid, with the names of the respective owners thereof, so far as the same are known to him, and the amount due and unpaid upon each tract, together with a copy of this ordinance, in the manner prescribed by Section Four (4) of the Act of the General Assembly of the State of Illinois, entitled, "An Act to provide for additional means for the construction of sidewalks in cities, towns and villages," in force July 1, 1897.

Sec. 5. This ordinance shall be in force from and after its passage and publication. Passed November 7th, 1901. Approved November 7th, 1901. ROBERT G. EVANS, Mayor.

Attest: JOHN FINNEY, City Clerk.

Women and Jewels

Jewels, candy, flowers, music—that is the order of woman's preferences. Jewels for a magnet of mighty power to the average woman. Jewels, health, is often ruined in the strenuous effort to make or save the money to purchase them. If a woman will risk her health to get a coveted gem, then let her fortify herself against the insidious consequences of coughs, colds, bronchial affections by the regular use of Dr. Boesche's German Syrup. It will promptly arrest consumption in its early stages and heal the affected lungs and bronchial tubes and drive the dread disease from the system. It is not a cure-all, but it is a certain cure for coughs, colds and all bronchial troubles. You can get Dr. G. G. Green's reliable remedies at G. B. Cummings'. Get Green's Special Almanac.

The postoffice department is going over the record of the rural free delivery routes to ascertain in how many instances traffic was interrupted during the spring by bad roads, and when the records are compiled, notices will be sent to the bad routes that unless the highways are improved the free delivery will be abandoned.
