Another Cloud on the Horizon.

The state department at Washington has received a confirmation notification from the Colombian government and Venezuela have terminated their diplomatic relations. This came in the shape of a cablegram from Minister Hart. This action is the result of the hasty withdrawal last August from the Venezuelan capitol of the Columbian minister there, Such a breach does not necessarily mean war, though it is undoubtly its first step in that direction.

Captives Not to be Killed.

From Sofia, Bulgaria: According Germany's expeditures in China for Stone and Mme. Tsilka are still alive. The letter is question further says that at the meeting of the committee held tail and holiday emand. From now ot to kill the prisoners upon any pretext whatever. Nevertheless, the committee insisted upon the payment of the full amount of the ransom.

A naive suggestion is current in political circles here to the effect that the United States should force Turkey to pay the balance of the ransom, and then as soon as the prisoners are in safety
