PUSHING FORWARD.

There is always a way to rise, my boy. Always a way to advance; Yet the road leading to Mount Success Does not pass by the way of Chance. But goes through the stations of Work and Strive, Through the valley of Persevere, And the man that succeeds, while others fail, Must be willing to pay most dear. For there's always a way to fall, my boy, Always a way to slide, And the men you find at the foot of the hill, All sought for an easy ride. So on and up, though the road be rough And the storms come thick and fast; There is room at the top, for the man who tries, And victory comes at last. —Success.

HEALTH RULES.

Seem to Have Gotten So Badly Mixed You Can't Follow Them.

It is impossible for a man to enjoy good health if he follows all the rules laid down for the acquisition of it. They are too contradictory. Here are some of them: "Eat only a light breakfast." "Breakfast should be the best meal of the day." "Run or walk two miles before breakfast." "Never attempt to do anything on an empty stomach." "Take a cold bath the first thing in the morning." "Remember, the shock to the system of suddenly encountering heat or cold is very injurious." "Never use a pillow." "The most refreshing sleep is had when the head is somewhat elevated." There are hundreds of others besides. For instance: "Do not get into the habit of sleeping in the day time," and "Always take a short nap in the afternoon." "Eat only at meal time," and "Eat whenever you are hungry." "Eat no meat," and "If you would grow strong eat

plenty of fresh meat 5 o'clock every morning until thoroughly rested, how late it is."

Puts gray matter in your head. Brings a rosy glow to faded cheeks. Restores vim, vigor, mental and physical happiness. That Mountain Tea will do it.

Women and Jewels.

Jewels, candy, flowers, the order of woman's preferences. Jewels for a magnet of the average woman. Even the greatest of all jewels, health, is often ruined in the strenuous efforts to make or save the money to purchase them. If a woman will risk her health to get a coveted gem, then let herself against the insidious consequences of coughs, colds, bronchitis, and other ailments. Dr. Boschee's German Syrup. It will promptly arrest consumption in its early stages and heal the affected lungs and drive the disease from the system. It is not a certain cure for coughs, colds and all bronchial troubles. Brain-Food Nonsense.

Another ridiculous food tad has been branded by the most competent authorities. They have dispelled the silly notion that one kind of food is needed for brain, another for muscles, and still another for bones. A correct diet will not only nourish a particular part of the body, but it will sustain every other part. Yet, however good your food may be, its nutriment is destroyed by indigestion or dyspepsia. You must prepare for their appearance prevent their coming by taking regular doses of Green's August Flower, the favorite medicine of the healthy millions. A few doses aids digestion, stimulates the liver to healthy action, purifies the blood, and makes you feel buoyant and vigorous. You can get Dr. G. G. Green's reliable remedies at G. B. HUGGING.

An editor in Iowa has been fined two hundred dollars for hugging a girl in church. Cheap enough! We hugged a girl in church, some ten years ago and it has cost us a thousand dollars a year ever since.—Young American. That's nothing! We hugged a girl in school, some twenty-five years ago, and we have had to support her and her family ever since.—Tiega Democrat. Come to Salem, Oregon, boys! Come to Salem! We have hugged a dozen and it hasn't cost us a cent.—Democrat Review. We commenced to hug twenty years ago and now hate to throw a stone inside a school yard for fear of hitting some of our family.—Bee. We hug and like to hug, and darn the expense; fellows, if you enjoy luxuries you must pay for them.—Daybook.
