### FIRE DEPARTMENT,

After considering the fact that insurance rates are cheaper in all cities having a permanent and well-organ. ized fire department, the city council has appointed a committee to look into the matter of building a good, substantial hose house for the Highland Park Volunteer Fire Department. The firemen have sent out a large number of tickets for their masquerade ball, Thursday evening, February 6, to the residents and property owners with a written request to return a check or the tickets, and in no instance have the tickets been returned. Such a ready NOTICE FOR LETTING CONTRACT. and liberal response has given the boys great encouragement. The money is to be used to purchase a new equipment for the new hose house. We shall endeavor to publish a list of the parties and number Local Improvements in City Hall, of tickets bought in our next issue. The committee decided last night in favor of the new building.

#### NORTH AMERICAN UNION BALL,
