**SIDEWALK ORDINANCE.**

**SIDEWALK ORDINANCE.—AN ORDINANCE** providing for the construction of a plank sidewalk on the easterly side of Logan street from Bloom street to Highwood avenue, in the City of Highland Park, Lake County, Illinois.

Be it ordained by the City Council of the City of Highland Park:

**SECTION 1.** That a plank sidewalk be constructed and laid in the City of Highland Park, in, upon, and along the easterly side of Logan street from the north line of Bloom street, northerly to Highwood avenue, in front of Lot One (1) in Block Forty-four (44) in the City of Highland Park, Illinois.

Said sidewalk shall be constructed and laid according to the following specifications, directions and provisions, namely:

Said sidewalk shall be five feet four inches wide. The inside line or edge of said sidewalk shall be parallel to the line of such sidewalk.

Said sidewalk shall be so constructed that the grade of the top of said sidewalk shall, when completed, be six inches above the surface of the ground at the point where said sidewalk is to be laid as herein provided.

Said sidewalk shall be constructed of good pine lumber of sound quality of two-inch planks dressed on one side, each plank to be not less than six nor more than ten inches in width and each plank to be five feet four inches long, which shall be laid crosswise with the dressed side up and cut to a true line, so that the inner and outer edges of said sidewalk shall be parallel with the lot line upon which said sidewalk touches or abuts; said planks to be laid on three bearings of hemlock joist of sound quality, set one bearing in the center of said sidewalk and one bearing on each side of said center bearing and two feet therefrom, said joist to be three by four inches in dimensions and set upon the narrowest side. Each plank shall be nailed to the bearing with six thirty-penny nails, two to each bearing.

Provided, however, that the owner of any lots or parcels of land touching upon the line of said proposed sidewalk shall be allowed thirty days after this ordinance shall have been published in which to construct said sidewalk alongside of his lot or piece of ground, and thereby relieve the same from the special tax herein provided to be levied thereon for the construction of said sidewalk.

Said materials and construction shall be under the supervision of and subject to the approval of the foreman of street work of the City of Highland Park.

**SEC. 2.** That so much of said improvement as shall not be made by said owners within the time aforesaid shall be made by said city and the cost thereof be wholly paid for by special taxation of the lot, lots or parcels of land contiguous to and touching upon the line of so much of the proposed sidewalk as shall be built by said city by levying the whole cost thereof upon such lot, lots or parcels of land in proportion to their respective frontage on said proposed sidewalk, built as aforesaid.

**SEC. 3.** A bill of the cost of so much of said

ing in separate items the cost of grading, materials, laying down and supervision, shall be filed in the office of the City Clerk of the City of Highland Park, certified to by the foreman of street work of said city, together with a list of the lots or parcels of land touching upon the line of said sidewalk, the names of the owners thereof and the frontage thereof as well. Whereupon the said City Clerk shall prepare a special tax list against such lots or parcels of land and the owners thereof, ascertaining by computation the amount of special tax to be charged against each of said lots or parcels, and the owners thereof, on account of the construction of said sidewalk, in proportion to the frontage of each of said lots on said sidewalk, which special tax list the Clerk of the City of Highland Park shall place on file in his office, and the said City Clerk shall thereupon issue warrants, directed to the City Collector for the collection of the amount of special tax so ascertained and appearing from said special tax list to be due from the respective owners of the lot, lots or parcels of land touching upon the line of said sidewalk, and said City Collector shall proceed to collect said warrants by making a demand therefor upon the owners respectively of the lots or parcels of land touching upon the line of said sidewalk, if they shall be found in the City of Highland Park, and shall make return thereof, with the moneys collected thereon, to the City Clerk of the City of Highland Park, within sixty (60) days from the date of the issue of said warrants, in the manner provided for in Section three (3) of the Act of the General Assembly of the State of Illinois, entitled, "An Act to provide additional means for the construction of sidewalks in cities, towns and villages," in force July 1, 1875.

**SEC. 4.** In case of failure to collect said special tax in the manner aforesaid, the City Clerk shall within one year thereafter, make a report of all such special taxes in writing to the County Treasurer and ex-officio County Collector of Lake County of all the lots or parcels of land upon which such special tax shall be so unpaid, with the names of the respective owners thereof, so far as the same are known to him, and the amount due and unpaid upon each tract, together with a copy of this ordinance, in the manner prescribed by Section Four (4) of the Act of the General Assembly of the State of Illinois, entitled, "An Act to provide additional means for the construction of sidewalks in cities, towns and villages," in force July 1, 1875.

**SEC. 5.** This ordinance shall be in force from and after its passage and due publication.

Passed March 4th, 1902.  
Approved March 6th, 1902.  
ROBERT G. EVANS, Mayor.

Attest: JOHN FINNEY, City Clerk.

**REQUEST TO COUNCIL.**

Eugene Bourneque lives down on Central avenue in one of the houses formerly owned by Mrs. Mary McDonald. There was an alley running through her portion of the block, but not through the lots east. Some two or three years ago Mrs. Snow sent to the council a letter or petition asking that the alley in the rear of her lot be vacated, and it was done.

and the alley thus vacated thrown into her lot, making it so much larger, and enabling them to clean it all up and make it a part of their nice lawn.

Now Mr. Bourneque wants the rest of it vacated. They say that alleys in a suburban town are nuisances. But Mr. Bourneque says Mr. Snow objected; he wants the alley, only fifteen feet wide, kept open so the garbage wagon can drive through it to his back yard, while all the neighbors there want it closed. This was the way it was presented to the council.

Whether or not the council can step in and close a public alley is a question that the courts will probably be called upon to decide. But where is the justice of closing an alley that has been open for a number of years, thereby cutting off a piece of property just be-

cause the neighbors do not consider it good taste to have an alley in a suburban town?

**TOO HIGH.**

A "citizen" dropped into the News-LETTER office this week to purchase an extra copy of last week's paper, which contained a "roast" on him, but when we told him we charged all non-subscribers 10 cents a copy, he said "Oh, no! Can't afford to pay 10 cents for even a half column roast." There are several of these two-legged "rooters" in even the highly cultivated city of Highland Park. They only buy a paper when there is something in it about them, and some honest citizen who, like a man, pays for the paper by the year, kindly tells them about it, and then kicks because he don't get it at the yearly rate. The paper is published in the interests of this city and vicinity, and we can't hope to suit all of the people, even from the street car magnate up to the fellow who shovels the mud off our crossings, and we don't expect to, but we can roast them to a standstill if they deserve it or we get the chance. And they will have to pay 10 cents per copy for the "roast."
