REV. HAEFELE TO LEAVE US.
 In the United Evangelical church there is a Medo-Persian law that no pastor may serve a charge for more than four consecutive years. Rev. A. Haefele, pastor of the church of that denomination in our city, has served the pastorate since April, 1898, consequently after the Illinois conference session which will be held at Shannon, Ill., the coming week, he will be sent to some other church within the conference limits.
 On March 13 the eldest son, Clyde, reached the sensible conclusion that hereafter he would cast a legal ballot whenever the opportunity presents itself.

look at. The Christian Endeavor society presented Clyde with a fob chain, trimmed with gold, and a C. E. charm. Miss Olive received a handsome fur collar and other gifts. Refreshments, music, a short program, and a good time generally were enjoyed by the ninety or more present.
 This thoughtful token of esteem, like many other such occasions during the past four years, has united the pastor and people more closely, and the family will ever cherish pleasant memories of Highland Park and the church that has shown them so much kindness.
Women and Jewels.
 Jewels, candy, flowers, man—that is the order of woman's preferences. Jewels for a magnet of mighty power to the average woman. Even that greatest of all jewels, health, is often ruined in the strenuous efforts to make or save the money to purchase them. If a woman will risk her health to get a coveted gem, then let her fortify herself against the insidious consequences of coughs, colds, bronchial affections by the regular use of Dr. Boschee's German Syrup. It will promptly arrest consumption in its early stages and heal the affected lungs and bronchial tubes and drive the dread disease from the system. It is not a cure-all, but it is a certain cure for coughs, colds and all bronchial troubles. You can get Dr. G. G. Green's reliable remedies at G. B. Cummings'. Get Green's Special Almanac. Cg-11-25
