

For the Fourth ward the voters have been circulating the following petition:

In past years elections of the Fourth Ward have been characterized by usages that we, the undersigned voters, do strongly condemn as unworthy of the people of said ward. A stigma attaching itself to our ward has developed through candidates seeking elections in the ward furnishing liquor as a means of insuring their election.

We, the undersigned voters of the Fourth Ward, do hereby pledge ourselves to vote for no candidate in the coming election who shall show himself regardless of the fair name of our ward, by giving liquor, or money to purchase the same directly or indirectly, to voters to help carry his election, and furthermore, shall do what we can to defeat such candidate.

There is no doubt that a majority of the voters of the ward will sign it. The framers of the petition have arranged to have watchers, and if it is found any candidate has been sending beer into the ward to influence voters, the signers will be notified in a letter which the committee have arranged to send out.

**PROHIBITION BANQUET.**

The prohibition committee of Lake county will meet Saturday, 2:30 p. m., the 12th, at the Temple, Waukegan, to transact business in relation to the coming conventions and campaign and to discuss any other matters pertaining to the work of opposing saloons, licensed or unlicensed. The banquet will be

The price per plate (50c) has been made very low so that anyone interested in prohibition may not be kept away by the expense, and the committee have been able to make the low price because it was unanimously decided to have no wines or other intoxicants on that occasion. The committee hope and expect to see a goodly number present.

**WANTED,**

We would like to ask through the columns of your paper if there is any person who has used Dr Green's August Flower for the cure of Indigestion, Dyspepsia and Liver Troubles that has not been cured—and we also mean their results, such as sour stomach, fermentation of food, habitual costiveness, nervous dyspepsia, headaches, despondent feelings, sleeplessness—in fact, any trouble connected with the stomach or liver. This medicine has been sold for many years in all civilized countries and we wish to correspond with you and send you one of our books free of cost. If you never tried August Flower, try one bottle first. We have never known of its failing. If so; something more serious is the matter with you. Ask your oldest druggist. eg-24

**CAUTION!**

This is not a gentle word—but when you think how liable you are not to purchase for 75c the only reliable remedy universally known and a remedy that has had the largest sale of any medicine in the world since 1868 for the cure and treatment of Consumption and Throat and Lung troubles without losing its great popularity all these years, you will be thankful we called your attention to Boschee's German Syrup. There are so many ordinary cough remedies made by druggists and others that are cheap and good for light colds perhaps, but for severe Coughs, Bronchitis, Croup, and especially Consumption, where there is difficult expectoration and coughing during the nights and mornings, there is nothing like German Syrup. Sold by all druggists in the civilized world. eg-24

The public has been looking for several weeks for a full itemized report of our high school expenditures, but in vain. It begins to look as though the officials were in the position of the boy who said the reason he did not do a certain thing was that he "hadn't got 'dares to' enough."
