The Ingelside Hotel has been doing a rushing business for the last six months, but the fire at the Military academy put the hostelry to the test in serving meals to the academy students and faculty since Thursday morning.

Judge Jones has appointed James H. Shields, of this city, and George L. Stewart, of Waukegan, as members of this year's board of review.

The gentlemen and Chairman Tiffany, of the board of supervisors, constitute the reviewing board which will pass upon this year's assessments.

John Dings, the chief clerk at the Hotel Ingelside, has discarded the old and foolish style used by most men in his profession (we refer to the big and lustrous shirt front sparklers), and has adopted the more reasonable fashion of having his name printed on the lapel of his vests; it saves the annoyance of an introduction to the "happys."

Early Thursday morning fire destroyed the mess hall at the Northwestern Military Academy and for a time it looked as though the main structure was doomed, but by hard work it was finally saved. A large quantity of provisions were destroyed and the annual alumni banquet, which was to be held Friday night, has been abandoned. The building will probably be reconstructed on a much larger scale.

Rev. John Brunton, a member of the board of the Railway Employees' Home, was in the city last week, being the guest of the Home and of Dr. Frank M. Ingalls. Mr. Brunton returned to his home in Pueblo, Colo., Tuesday morning.

What might have been a serious fire was put out by the prompt action of Mr. Prior and Mr. Booth, who happened to be passing Henry K. Coale's residence on Linden avenue last Saturday afternoon.

The family were all out at the time, and smoke was seen coming from the rear chamber windows. It was found that a clothes closet was on fire, which destroyed all the contents. Damage about \$500.

The informal garden musicale that was to have been held Thursday evening, June 5th, at the home of Mr. and Mrs. George Higginson, Jr., in Winnetka, for the benefit of the Allendale Association, has been postponed, owing to serious illness in the family of Mr. and Mrs. Higginson. North shore residents and many Chicago folks are interested in Allendale, which is a home for friendless boys near Lake Villa, Ill., and they are enthusiastically supporting this entertainment that was planned.

Mrs. Thomas Howe, of Oakwoods Boulevard, met with what might have been a fatal accident on last Saturday at Laurel avenue crossing of the Electric railway. She stepped on an orange peel laying on the crossing, which caused her to slip and fall. She was unable to get up alone, and had it not been for the kindness of two gentlemen who were near-by and ran to her rescue, she no doubt would have been injured, as a car was fast approaching. Mr. and Mrs. Howe wish to thank the gentlemen through the columns of this paper for their kind assistance to her.

Club men of Waukegan, Lake Forest, and Highland Park have been provided with a club car on one of the fast suburban trains on the Northwestern road. Leaving Waukegan at 7:45 o'clock each morning, the train stops only at Lake Forest and Highland Park, making the run from Waukegan in exactly one hour. The car runs back to Waukegan in the evening, leaving Chicago at 5:10 o'clock. The car is luxuriously fitted. The seats are heavily upholstered in leather and nine card tables are built in the car. Each table has two drawers for cards, cigars or cigarettes, and each party of four carries

regular patrons of the club train are permitted to use the card tables, and as a result of the innovation nine parties of four each ride on the train daily, both to and from the city.

Persons looking for a pleasant and profitable place to spend their summer vacation should not overlook Winona Lake, Ind. Besides the Winona Lake summer school they have fine fishing, boating, tennis and one of the finest golf grounds in the country. The gates of Winona Lake Park were thrown open May 15, and cottages, hotels and private homes are fast being filled by those who will spend the summer there. Several conventions are scheduled for the month of June, among them the Western Association of Writers, June 23 to 28, of which W. W. Pfimmer, of Kentland, Ind., is president. Winona Hotel will be convention headquarters during the gathering. The formal opening will be held Monday afternoon, July 7, and the address will be made by Captain Richmond Pearson Hobson, the hero of the Merrimac.

If it wasn't for the word "tomorrow" the delinquent would have a very poor excuse.
