

DO YOUR COOKING WITH GAS.

It is safer than Gasoline and cleaner than coal or wood.

Price per thousand feet, for fuel purposes = = = \$1.00
(Same as Chicago.)

GAS RANGES FOR SALE

on easy payments.

Any make you fancy.

We are also Agents for the Celebrated
HUMPHREY ARC LIGHT.

This is a beautiful light of half-a-thousand candle power and costs but 2 cents an hour to run it. It is not only cheaper and a more brilliant light than the Electric Arc, but it is noiseless and never goes out.
