NOTTO OF THE NEWS-LETTER.

Print all the news fit to be printed: the truth without fear, favor or affectation; pure, clean and wholesome matter; fresh ideas, progressive thoughts and reliable information; the omission of the editor, fearlessly expressed—nothing false, loud or immodest; nothing mean, low or slanderous; nothing for which we are not willing to become responsible; nothing personally offensive, as paid matter or otherwise; nothing that we would be ashamed to read at our own fireside. Print what we believe to be right, regardless of consequences; nothing we know to be wrong under any consideration.

FRIDAY, JUNE 27, 1902.

We will speak out, we will be heard,
Though all earth's temples crack.
We will not bate a single breath,
Nor take a single sentence back.

Confident I may lawfully hold the office for the coming term, I hereby announce myself a candidate for County Treasurer, subject to the approval of the County Republican Convention.
GEO. N. GRIDLEY.

MYSTIC WORKERS.

The Mystic Workers of the World held one of their regular meetings on Tuesday evening, June 24. Eleven new members were received, five men and six ladies. After the initiation of candidates refreshments were served by the ladies, and the pleasant evening which followed quite convinced the new members they had made no mistake in joining the Mystic Workers.

ROYAL ARCANUM.

The Royal Arcanum celebrated its 25th anniversary on Monday night. It was ladies' night, and a large and brilliant gathering honored the occasion. The program consisted of an address by the Grand Councillor, Mr. Johnson, of Chicago; a cornet solo by Dr. Bergen; several very amusing recitations in delightful dialect by Mrs. F. B. Green, and music by Prior's orchestra, which was followed by dancing. Refreshments were served later in the evening.

Wise is the girl whose sense of self-interest prompts her to take Rocky Mountain Tea. It fills her full of vigor and there is always honey in her heart for you. Geo. R. Cummings. eg-1

THE MORAINE.

Mrs. J. F. Dennis, of Chicago, entertained a party of five at dinner on Sunday.

Mrs. Robert Schuttler Hotz entertained her mother, Mrs. Jos. P. Ross, and sister, Miss Ross, at dinner on Sunday.

Mr. A. Bigelow and wife, of Boston, and Mrs. R. G. Calder and two daughters, of Chicago, are at the Moraine.

Mr. C. F. Kimball, of Chicago, brought out a coaching party to the Moraine on Friday and dined in the Norfolk room.

Mr. and Mrs. Marcy entertained Mr. and Mrs. S. F. Tenney, of Chicago, at dinner Sunday and Mr. and Mrs. Commom, of Minneapolis.

Miss Waller, Miss Lancaster, S. W. Worthy, Willis Worthy and Douglas Charnley were entertained at dinner Sunday last as guests of Mrs. Jas. Charnley.

Miss Mary Berry, the very well known teacher of voice culture, of New York, is spending a few days at the Moraine as the guest of Mrs. F. H. Hamilton, of St. Louis.

Among the visitors who dined at the Moraine on Sunday as guests of residents were: Mr. and Mrs. J. R. Custer.

John B. Black, Mr. and Mrs. F. R. Babcock, Clayton F. Summy, Mr. and Mrs. W. B. Conkey, Mr. and Mrs. J. R. Custer.

The opening ball at the Moraine on Saturday evening promises to be an important society event. About 800 invitations have been sent out, and a special train will be provided to carry guests back to Chicago and intermediate points, leaving Highland Park at 1 o'clock Sunday morning.

Among the late arrivals who have taken rooms at the Moraine for the summer are: Dr. Casey A. Wood, of Chicago, Frank H. Hamilton and family, of St. Louis; Dr. Hans Schwegel, the Austrian vice-consul; Peter Van Vlissingen, the well known real estate man, of Chicago; A. C. Mason; Hans Christian Lows.

The management of the Moraine desiring to be up-to-date, in providing all the comforts and novelties possible for its guests, has adopted the European plan of

serving after-dinner coffee on the back veranda on warm evenings. Cunning little rustic tables and chairs have been provided for this purpose, and nothing is wanting but the "warm evenings," which it is feared are not to be provided this season.

The Columbia Yacht Club, of Chicago, will have a course race, for all classes of boats, from Chicago to Highland Park, on Saturday, 28. The Moraine hotel is offering a cup for the winning boat, to be called "the Moraine cup, and the finishing point will be off the bluff on the hotel property. The judging committee will have their position on the bluff with their cannon, and if the weather is favorable, a very pretty sight will be witnessed, as it is proposed to start about forty boats in the race for this cup, and if conditions are right, most of the crews will land with their dingies, to attend the opening ball at the Moraine on the same evening. As this is the beginning of what will probably grow into a very interesting yearly event in which Highland Park is concerned, it is hoped that a good crowd will be present to witness the finish of the race, which will occur about 5 o'clock in the evening, and the Moraine hotel people have turned their grounds over to the use of the public for the occasion.

You've got to hustle all the time to keep in the swim. If you are slipping down the ladder of prosperity, take Rocky Mountain Tea. Makes people strenuous. Geo. R. Cummings.

The Sheridan Road News-Letter reporter owes a debt of profound gratitude to Col. Davidson for so kindly playing the "good samaritan" to a perfect stranger. Totally unfamiliar with the deviating ways of Highland Park, and remembering the Irishman's experience who tried to "guess" the way to Cork, the News-Letter reporter resolved to "ask" the way. Following explicitly the directions given by one of King Oscar's subjects, we found ourself, in the course of events, back at the identical spot where we started. We next carefully followed the trail-volunteered me by a genial Hibernian, arriving eventually at nowhere! Desperate and discouraged, we were about to abandon our voyage of discovery, when, thanks to the courtesy of Col. Davidson and his timely little diagram, we were enabled to go on our way rejoicing, and arrived at "The Log House" with a feeling akin to a modern Columbus.
