The saddest event and most shocking in weeks is the death of Blanchard Delong, who died Monday of typhoid fever after only a week's illness. He was an only son. Rev. Moses Smith, former

The popular concert which was given at the Congregational church Tuesday evening, under the auspices of the Y. P. S. C. E. proved a very pleasant social affair and was largely attended. Dr. E. M. Culver, having completed the internship at the Mary Thompson Hospital, is

again with us. The doctor intends to locate in Glencoe and have an office in Chicago, also. If she has as great success as a physician as she had as a trained nurse we have hopes of a brilliant future. All she wants is a chance, and there is no reason why she should not have "all the chance in the world."

Among all the candidates for the nomination of county judge at the coming republican convention, August 23, none have a better chance than the Hon. Ruben W. Coon, of Waukegan. As one of the leaders of the Lake county legal fraternity, Mr. Coon is well-known throughout this section. His record as state senator was exceptionally pleasing to the people as a whole. We have no doubt that, if elected, he will perform the duties of the office in a fair and impartial manner.
