S-13 W. C. MCKENZIE.
Highland Park, Ill., July 14, 1902.

For County Superintendent.

If I have any political friends left in
the county since the invasion of oppos-
ing candidates, they are hereby in-
formed that I am still a candidate for
renomination for the office of County
Superintendent of Schools, subject to
the action of the forthcoming Republi-

I have only to say that it will be impos-

of the county, and that I shall rely
upon my friends for the support that I
shall receive in the convention, trust-
ing that my past conduct as an officer

Resuscitating Power of Light.

The extraordinary resuscitating
power of light received a new and
conclusive illustration a few years ago in
the silver mines at Laurim. The
mines had been abandoned more than
2,000 years ago as unworkable, and an
enterprising Briton discovered some
poppies of a species which had dis-
appeared for 20 centuries, the seed of
which had lain dormant beneath the
slag for 2,000 years. When the slag
was removed to the furnace the next
visit to the mine found the entire
space covered with a most gorgeous
show of poppies. After their 20 cen-
turies' rest they had bloomed as vig-
orously as ever, without the aid of
a single drop of water or any restora-
tive other than the rays of the sun.

"Peleo" was the name which the Ha-
waiians in their pagan days gave to
the goddess who, according to their be-
lief, inhabited one of their largest vol-
canoes.

Receipts to the amount of \$180.05, as
listed above, were received from the
trustees of the Highland Park Athe-
neum, being the proceeds of sale of
property belonging to them and same
amount was expended in the purchase
of books of reference, of which we now
number 109 volumes. All other books
purchased have been most carefully
selected.

The library has been entirely re-
classified according to the Dewey sys-
tem. The new classification is in the prin-
cipal hands for publication, a card
catalogue is also being prepared.

It is hoped in the near future that a
free reading room can be opened, but
the present appropriations are not
adequate.

The library has grown from modest
beginnings to a large and valuable col-
lection, and it is the duty of the coun-
cil to assist the library board in fur-
nishing intellectual culture to all.

It is for this individual self-adminis-
tered education that the public library
furnishes the opportunity and the
means. The school starts education in
childhood, libraries carry it on.

Three of the directors—Miss Street,
Mr. W. Obee and Mr. C. G. Phillips re-
tire by rotation from the board. The
mayor will duly appoint their suc-
cessors.

All of which is respectfully sub-
mitted.

W. O. HIPWELL,
President Public Library,
Highland Park, Ill., July 1, 1902.

TO ALL QUALIFIED VOTERS OF
the First and Second Election Dis-

o'clock p. m., of said day and at the
places hereinafter named, there will be
held a Primary Election by the Republi-
can voters of Deerfield Township, to
elect fourteen delegates to the Lake
County Republican Convention to be
held at Grayslake, in said county,
August 23, 1902. For the purpose of
said primary election the township
will be divided into three primary elec-
tion districts numbered and described
as follows, to-wit:

Chicago & Northwestern Railroad Com-
pany's tracks.

Chicago & Northwestern Railroad Com-
pany's tracks.

From the First district eight dele-
gates and from the Second district six
delegates are to be elected.

The polling places at said primary
election are: For District 1, Library
building, Highland Park, and for Dis-
trict 2, Fort Sheridan Village Hall.

The judges of election at said elec-
tion are: District 1—James McDonald,

Rielly.

Said Primary Election will be held
pursuant to call of the Republican
County Central Committee and also
in pursuance of and subject to the pro-
visions of the Primary Election Law
approved June 6, 1889, except that the
polls at said Primary Election will be
kept open from 5 o'clock p. m. to 7
o'clock p. m. only. It is in deference to
what we believe to be the sentiment of
a majority of the Republican voters of
said Districts 1 and 2 that the under-
signed have adopted the provisions of
said Primary Election Law for said
election in said districts.

The committeeman for the Third
Election District having failed to meet
and act with the majority of the com-
mittee, and having signified his prefer-
ence for the primary election and caucus
procedure heretofore in vogue, we
issue no call as to said Third Election
District, but leave the calling and con-
ducting of said primary election in that
district to the said committeeman, to
be by him directed or done as he shall
see fit.
