**ANOTHER "RUMMAGE SALE."**

The Woman's Club has decided to hold another "rummage sale" some time during the autumn, probably in the latter part of October, the date to be announced in a later issue.

As was done last year, the proceeds will be divided, and one-half given to the Relief and Aid Society of Highland Park for its winter work.

It is apt to be the annual experience and surprise of almost every "haus-frau" to find how things have accumulated despite her vigilance. If anyone is in a quandry, not knowing how to dispose of articles, superfluous in her own household, and yet too good to be thrown away or indiscriminately given away remember the rummage sale offers a timely solution, and a welcome repository, and if word is sent to Mrs. Edwards, the secretary of the club, or to any one of the other officers the articles will be cheerfully called for at any stated time.

Pieces of furniture, bric-a-brac, old china, books, pictures, needle work, toys even wearing apparel, all are most acceptable and will help swell the receipts of the rummage sale.
