How many turned over "new leaves" the first of the year? Beware that the new one does not read like last years, and—pay your subscription for the NEWS-LETTER first instead of last, that's a new leaf too.

Have you marked out a course of study or reading for the coming year? Among your books and magazines, don't forget to place the Sheridan Road NEWS-LETTER and not borrow your neighbors; he wants it himself.

The northwest corner of Second street and Laurel avenue is a busy scene. The ruins of Fritz Bahr's house are practically cleared away, and soon a new home will loom up as if by magic. Fritz don't let the grass grow under his feet.

Palmer A. Montgomery was in the Park this week to see that everything was all right at his residence. He spent the month of December in Texas and we are pleased to learn that his eyes have improved very much. Mr. and Mrs. Montgomery leave for Rockport, Texas, Saturday where they will remain until April when they will return to their home in this city. Mr. Montgomery is of the opinion that Texas has the greatest opportunities for profitable investments of, any of our states at the present time, and said Rockport and Corpus Christi district on Corpus Christi bay has the best all year climate. It is the only locality on the Gulf of Mexico, in the United States, where the banks at the water's edge are high like those on Lake Michigan in this vicinity. Corpus Christi, Texas, is on a line with Tampa, Fla.

We are now enjoying a spell of spring weather.
