An Ordinance Concerning Livery Stables.

Be it ordained by the City Council of the City of Highland Park, County of Lake, and State of Illinois:

Section 1. It shall be unlawful for any person or persons, firm or corporation to locate, build, maintain, keep or conduct, in any block in said city in which a majority of the buildings, excluding private stables, private barns and sheds, are devoted exclusively to residence purposes, or in any place within one hundred feet of the Sheridan road, any livery, boarding or sales stable, unless the written consent of the owners of a majority in area of the property in such block, also the written consent of the owners of a majority of the frontage on the opposite side of the street on which such stable is proposed to be located and between the nearest intersecting streets, and also the written consent of the owners of a majority of the frontage on such street within three hundred and fifty (350) feet of the proposed site of such stable, shall be first filed in the office of the City Clerk of said city. Provided Further: That in case such proposed site is on the corner of any such block, then in addition to the consents hereinbefore required, the written consent of the owners of a majority of the frontage on such side street within three hundred and fifty (350) feet of the proposed site of such stable shall be obtained and filed in said City Clerk's office before such stable shall be located, built, constructed or kept.

Section 2. That the keeping or conducting of any livery, boarding or sales stable anywhere within the corporate limits of the City of Highland Park in such a manner as to create, cause or bring about offensive smell or odors to the annoyance of the people resident within the vicinity of said stable or where loud and offensive noises are made, or where boisterous or disorderly people are accustomed to congregate or assemble, to the annoyance and disturbance of the people resident within the vicinity of said stable, is hereby declared to be a nuisance and is hereby forbidden.

Section 3. Every building in which horses are kept in stalls for sale, or while boarding, or which is used as a livery stable, shall have an exit at each end thereof of not less than eight feet in width, and whenever necessary, there shall be runways or inclines so arranged as to be of use in taking horses from the building, and which shall not be less than eight feet in width, and provided with guards on each side thereof. All stalls in every livery, sale or boarding stable, shall be not less than four feet and six inches in width.

Section 4. Any person or persons, firm or corporation who shall violate any of the provisions of this ordinance shall be fined in the sum of not less than twenty dollars nor more than one hundred dollars for each offense.

Section 5. This ordinance shall take effect and be in force from and after its passage and publication.
