Tuesday night summons was taken out before Police Magistrate Lane by William Andress, of Milton Avenue, against his sister-in-law, Mrs. Jones of Glenview, to get back his child by his first wife, Hazel by name, eight years of age. The child had been living for some time with her aunt, who refused to give her to an officer sent by Andress, alleging ill treatment of the child at home as the reason. The Jones' went to Judge Tuttle in Chicago and commenced proceedings, but the case was continued till the twenty third inst. On the sixteenth the case before P. M. Lane was dismissed, Andress offering to let Mrs. Jones

adopt his daughter. This she declines to do unless Andress will make provision for her maintenance. The case is exciting some interest in the village on account of alleged mistreatment of the child. President Dennis has interested himself in the case and expects to be present at the next hearing before Judge Tuttle. Probation officer S. H. Crosby, of the Children's Home and Aid Society, has been in the village in the interest of the child.

The public hearing at the Villaga Hall last Saturday night of the proposed street paving on the west side was well attended by interested property owners. A lively discussion occurred, but in the end the majority acquiesced in the plan proposed by the Board of Local Improvements for a pavement (of macadam) 16 feet wide on resident streets and 20 on Park Avenue from Railroad to Greenwood Avenue, and on Vernon from Park to Hazel. Objection was made by the owners of business property that 20 feet was too narrow; but it was agreed that they can arrange by personal contracts to have this widened in front of their business houses when the work is done.

CHAPPED HANDS.

Are you annoyed? Does your skin chap easily and get rough? Get a bottle of Laeger's Benzoin Cream. It's dandy—cooling, healing, softening and beneficial to the skin. Price 15 cents, two for 25 cents.
