

SHERIDAN ROAD NEWS LETTER

A Newspaper Devoted to the Interests of the Cities, Towns and Villages Along the North Shore

VOL. XIII.

FRIDAY, APRIL 24, 1903.

NO. 22.

LOCAL NEWS NOTES.

Insure your property with W. E. Brand, Agent.

The great wedding is booked for the 29th. We congratulate "Steve."

The Exmoor club house is open for the season and the bus makes its daily trips.

Ed Horenberger has rented the C. A. Parson's farm, and moved his family there this week.

"Barney" thinks of putting on a free bus to and from all trains for the Highland Park hotel.

Rev. Pfanstiehl preached at Deerfield Presbyterian church this week Thursday and Friday evenings.

Mr. Schuyler M. Coe and family have returned from Datona, Fla. They will spend the summer here.

The new proprietor of the Aldeman Woodruff home on Prospect Avenue is putting up a new large and convenient barn.

The engagement has been announced of Miss Bessy May Sites, formerly of Highland Park, to Mr. John Hayes Drestach, of Columbus, Ohio.

The family dancing party at the club house Saturday night was a pleasant affair. Another was held Thursday night, about the last of the season.

Mr. Fritz Bahr and family moved into their new house last week. Ed Wendling did the painting and paper hanging and it is one of his finest pieces of work this season.

Dan Sheahan, the milkman, has just recovered from a two weeks sickness in which he lost 40 pounds of his precious avordupois and now has to pad out his trousers and vest with oat straw.

Mrs. Elisha Gray is expected home in about two weeks to occupy her old home on Hazel Avenue. The

report is that Mrs. Stubbs and children will come with her, making her future home here with her mother.

Mrs. Bohl has taken possession of the store formerly occupied by Miss Erskine in the Fletcher block. The rooms have been enlarged and newly decorated in fine style by McKenney & Weibel, so that it is the finest and most convenient store in town. Mrs. Bohl expects to be home in a few days, as her throat is rapidly improving.

Milton H. Baker, son of the late Dr. Baker who for years was the homeopathic physician of this city, graduates from the Hahnemann medical college May 7th. It seems to run in the family blood to practice medicine, as Dr. Milton makes the second of his father's children to follow the profession, which is a good omen of success.

Judge Hibbard hereby gives notice that he will be a candidate for mayor in 1905. One man has assured him of his vote, and Andrew Jackson said one man with God on his side constitutes a majority and that is all one needs. He does this not because he wants the office, but to keep John Bailey company in his lonely political career.

The North Shore Chapter D. A. R. held a sort of tenth anniversary meeting Monday evening in the library building, to which they invited their friends. Miss A. R. LaBar read an interesting paper on the history of the organization. Those who participated speak of it as a very delightful evening.

The City of Fort Sheridan election Tuesday was almost a landslide for the Citizen's party, Mr. Gibbs being elected mayor by 90 majority. It was apparent to all who attended the rally Monday night, that the people were in dead earnest for their ticket. The Citizen's party is incorporated

with a state charter and are bound to have "No Bossism."

At the congregational meeting of the Presbyterian church a week ago Wednesday, all the reports from the various societies showed a commendable increase, and the past year was one of the best in the history of the church. Messrs. W. D. Messinger and F. W. Steele were elected to the board of elders, and Messrs. S. N. Harrington and W. H. Baldwin to the board of trustees. Next Sunday morning the newly elected elders will be installed into office.

The cadets at the military academy are busily preparing this week for their annual military and athletic carnival which will be held at the gymnasium Saturday evening, April 25th. Very few of the citizens of the town realize what an excellent performance the young men turn out on these occasions. It is an exhibition of the military and gymnastic work for the year, and every year the boys always have reproductions of some of the drills that they give at other cities from time to time. The exhibition is given for the benefit of the athletic fund. Those interested in athletics and especially those interested in the Academy should take the opportunity of seeing the exhibition.

The Nettie P. Street Industrial School will give an exhibition of sewing done by pupils of the school at the library building, Saturday afternoon, April 25th, from three to five o'clock. The exhibition is for the public in general and everybody will receive a cordial welcome from the teachers and patrons of the school. The presence of visitors will be greatly appreciated both for the encouragement of the children whose attendance is entirely voluntary and of the teachers whose services are also voluntary. This school, which

has been in existence in Highland Park for about ten years has held to the one simple object of instruction in plain sewing. With an increased interest on the part of the public its usefulness can be greatly enlarged. Let the women of Highland Park who consider the work of the home and family as the most important in life for women, lend their services to this cause. Helpers are always needed and volunteers for next year are requested. Please show your interest by coming on Saturday, both men and women. Men are especially welcome whose financial support has often been given and is gratefully acknowledged.

The North Chicago base ball team defeated the Highwood Grays on the parade grounds last Sunday by a score of 17 to 16.

The office of Justice of the Peace Chas. Gordon, now with Attorney Gail in Highland Park, will be moved to the city hall in Fort Sheridan May 1st.

Fort Sheridan Park will open on Saturday, May 23. Arrangements have been made to bill some of the finest attractions this year that have ever been put on a vaudeville stage.

The conductors and motormen on the electric railway look very neat in their new uniforms and caps. The management of the road can boast of having not only the neatest but the most intelligent and gentlemanly lot of employes as a whole, operating any line, it being almost an unknown thing to hear a complaint from patrons of the system.

Don't forget that the News-Letter job department is better equipped than ever before to do all kinds of printing, from a lady's calling card to a three-sheet poster.
