An ordinance providing for the construction of a plank sidewalk on the south side of Cary avenue in front of lots 80 and 81 in the South Highland Addition to the City of Highland Park, Lake County, Illinois.

Be it ordained by the City Council of the City of Highland Park.

SECTION 1. That a plank sidewalk be constructed and laid in the City of Highland Park, in, upon, and along the south side of Cary avenue in front of Lots eighty (80) and eighty-one (81) in the South Highland addition to the City of Highland Park, Lake County, Illinois. Said sidewalk shall be constructed and laid according to the following specification, directions and provisions, namely:

Said sidewalk shall be five feet four inches wide. The inside line or edge of said sidewalk when completed shall be at a distance of eighteen inches from the lot or lots which touch or abut upon the line of such sidewalk.

Said sidewalk shall be so constructed that the grade of the top of said sidewalk shall when completed have an uniform grade of six inches above the natural surface of the land upon which said walk is to be laid.

Said sidewalk shall be constructed of number one selected tamarack lumber of sound quality, of two-inch planks dressed on one side, each plank to be not less than six nor more than 8 inches in width and each plank to be five feet four inches long, which shall be laid cross-wise with the dressed side up and cut to a true line, so that the inner and outer edges of said walk shall be parallel with the lot line upon which said sidewalk touches or abuts; said planks to be laid on three bearings of hemlock joists of sound quality, set one bearing in the center of said walk and one bearing on each side of said center bearing and two feet therefrom; said joist to be three by four inches in dimensions and set upon the narrowest side. Each plank shall be nailed to the bearing with six thirty-penny nails; two to each bearing.

Provided, however, that the owner of any lots or parcels of land touching up

on the line of said proposed sidewalk shall be allowed thirty days after this ordinance shall have been published in which to construct said sidewalk along-side of his lot or piece of ground and thereby relieve the same from the special tax herein provided to be levied thereon for the construction of said sidewalk.

Said materials and construction shall be under the supervision of and subject to the approval of the Foreman of Street Work of the City of Highland Park.

SECTION 2. That so much of said improvement as shall not be made by said owners within the time aforesaid shall be made by said City and the cost thereof be wholly paid for by special taxation of the lot, lots or parcels of land contiguous to and touching upon the line of so much of the proposed sidewalk as shall be built by said City by levying the whole cost thereof upon such lot, lots or parcels of land in proportion to their respective frontages on said proposed sidewalk, built as aforesaid.

SECTION 3. A bill of the cost of so much of said sidewalk as shall be built by said City, showing in separate items the cost of grading, materials, laying down and supervision, shall be filed in the office of the City Clerk of the City of Highland Park, certified to by the Foreman of Street Work of said City, together with a list of the lots or parcels of land touching upon the line of said sidewalk, the names of the owners thereof and the frontage thereof as well. Whereupon the said City Clerk shall prepare a special tax list against such lots or parcels of land and the owners thereof, ascertaining by computation the amount of special tax to be charged against each of said lots or parcels and the owners thereof, on account of the construction of said sidewalk, in proportion to the frontage of each of said lots on said sidewalk, which special tax list the Clerk of the City of Highland Park shall place on file in his office, and the said City Clerk shall thereupon issue warrants, directed to the City Collector for the collection of the amount of special tax so ascertained and appearing from said special tax list to be due from the respective owners of the lot, lots or parcels of land touching upon the line of said sidewalk, and said City Collector shall proceed to collect said warrants by making a demand therefor upon the owners respectively of the lots or parcels of land touching upon the line of said sidewalk, if they shall be found in the City of Highland Park and shall make return thereof, with the moneys collected thereon, to the City Clerk of the City of Highland Park, within sixty (60) days from the date of the issue of said warrants, in the manner provided for in Section three (3) of the Act of the General Assembly of the State of Illinois, entitled "An Act to provide additional means for the construction of sidewalks in cities, towns and villages," in force July 1, 1875.

SECTION 4. In case of failure to collect said special tax in the manner aforesaid, the City Clerk shall within one year thereafter, make a report of all such special taxes in writing to the County Treasurer and ex-officio County Collector of Lake County of all the lots or parcels of land upon which such special tax shall be so unpaid, with the names of the respective owners thereof, so far as the same are known to him, and the amount due and unpaid upon each tract, together with a copy of this ordinance, in the manner prescribed by Section four (4) of the Act of the General Assembly of the State of Illinois, entitled "An Act to provide additional means for the construction of sidewalks in cities, towns and villages," in force July 1, 1875.

As a result of the most painstaking study by trained nurses and physicians the invention of a sanitary napkin, which meets with approval wherever introduced, has at last been successful. Miss Edith Koch, Nurse, 1105 5th St., Milwaukee, writes: "The sanitary contrivance known as 'Dainty' is all that the inventors claim for it, and every neat woman should be the owner of one. I would not be without mine for \$50.00 were I unable to obtain another." The appliance is waterproof, fits snugly, prevents chafing, makes ladies feel at ease and enables them to dress with their expensive wearing apparel at all times regardless of the periods natural to their sex.
