

## HIGHWOOD.

Master C. McEwen is quite sick with the grippe.

Alderman Murphy visited Wauconda last week to look after the improvements on his summer resort.

Mr. and Mrs. J. L. Boyd of this place, spent Sunday at Highland Park with assistant Postmaster King.

Lake Bluff has been selected as the site for the great lakes naval training station, which means much for Lake Bluff and Lake County.

The bi-monthly illustrated lectures at the high school, are highly entertaining and instructive. Last Monday night the subject was "Vienna."

It is too bad the jury did not see fit to separate "Uncle Dud" from a bundle of Mazuma, but he has another guess coming during the December term of court.

According to a recent report of the Adjutant General, our regular army consists of 555,000 enlisted men. 5034 men deserted during the past year, or almost 10 per cent of the army.

Manager Winslow, of the Matthews Bowling Alleys, is organizing a league to consist of six teams, one from Highland Park, one from Lake Forest, one from the street car men and three from Ft. Sheridan.

The activity of Chicago "Graft" committee, has driven the committee to close up the hand books in that city. Why don't they re-open Lorrillard? A number of the local fraternity would welcome a job that would enable them to get an overcoat and eating money, as there is every evidence of a long, cold winter and "nothing doing" along the line.

Council met last Tuesday night, after the payment of bills the question of reducing the bowling alley licence which at present is almost prohibitive was favorably considered and the city attorney directed to present an amended ordinance at the next meeting. Treasurer Unbehaun presented his monthly report for October, showing about \$4,000 in his hands to the credit of the city.

An agreement has been reached between our liquor men in the matter of their indictment by the grand jury, whereby the matter will be settled out of court to their satisfaction. The Waukegan authorities very wisely took into consideration the fact that no complaint was made by our local authorities, or by any church element. Only by a disappointed

grafter whose pull has been amputated, and who is rapidly nearing the jumping-off place—a condition which his past foul record argues eloquently for

Carl Ludwig alias Emil Knutson was brought to the city jail last Saturday night by Officer Cramer of Chicago, who registered him as a horse thief. On Monday morning he was brought into court and confronted by Nick Raymond, from whom he stole the horse on Oct. 22, also a Mr. Oleson, to whom he sold the animal the following day. The evidence being conclusive, Justice Gordon placed him under \$1,000 bond, to await the action of the next grand jury. He is now a guest of Sheriff Powell.

A large number of her friends tendered Mrs. M. J. Gibbs an agreeable surprise on the occasion of her birthday last Thursday evening, and presented her with an elegant silver tea service. The evening was spent pleasantly playing euchre. Mrs. Newsome and Mr. Shetzley won the first prizes, while Miss Gordon and Mr. Garrity captured the boobys without an effort. Lunch was served, after which Mrs. McKeon favored the gathering with several vocal selections which were highly appreciated. Among those present were Messrs. and Mesdames Detrick, Murphy, A. Smith, Wescott, Hostetler, D. J. Brady, Dahl, Laegeler, McTameny Kelly, F. Curley, Lockard and Unbehaun.

The Epworth League of the Highwood M. E. church, gave a birthday party at the church parlors last evening, from 8 to 10 o'clock. Small silk bags were given out with the accompanying verse:

This birthday party is given to you—

'Tis something novel, 'tis something new,

We send to each this little sack—  
Please either send or bring it back

With as many cents as you are old

We promise the number shall never be told.)

The ladies will give us some good things to eat,

And kind friends will furnish a musical treat.

And now we extend to you greetings most hearty,

Feeling sure you will come to your own birthday party.

For Sale—A large Red Cross square parlor heater. Inquire at News-Letter office.

As a result of the most painstaking study by trained nurses and physicians the invention of a sanitary napkin, which meets with approval wherever introduced, has at last been successful. Miss Edith Koch, Nurse, 1105 5th St., Milwaukee, writes: "The sanitary contrivance known as 'Dainty' is all that the inventors claim for it, and every neat woman should be the owner of one. I would not be without mine for \$50.00 were I unable to obtain another." The appliance is waterproof, fits snugly, prevents chafing, makes ladies feel at ease and enables them to dress with their expensive wearing apparel at all times regardless of the periods natural to their sex.
