WILL PAY RENT.

A suit for rent of the old C. W. Fullerton's residence in Highland Park, known as Ravinoak, resulted in a verdict against Harry Rubens of Chicago in favor Miss Martha Hill. It seems that Rubens leased the place for six months for \$5,000 and after paying two months rent tried to get out of the lease, hence the suit to recover.

It was this place in Highland Park where last year Mr. Ruben-entertained Grand Duke Boris of Russia.

Rubens is a big lawyer in Chicago and is very prominent. His attorneys were Judge Barnum, Mr. Rigby and Elam Clarke, while Charles Whitney represented Miss Hill.

At the St. Louis fair next year the state of Mississippi will exhibit King Cotton seated on his throne as representing the state's greatest industry. The statue will be heroic in every respect and eclipse everything else molded in human form for size. Now it will be in order for Iowa to add to the royal family of farm products by sending King Corn. Minnesota should send her Ice King to cool things off during the summer, and Pennsylvania should get in with old King Coal, who could warm things up when they became too frigid.

The apple is the most democratic of all fruits, declares the Atlanta Journal. The pomegranate is priestly; the grape is royal; the orange is luxurious; the

The Venezuelan Roads.

The roads of Venezuela are not suitable for American styles of vehicles, and draft animals are rather small for any ordinary vehicles for freight. The lighter kind of pleasure vehicles could be used if the roads were not so bad.

HOLD-UP EASILY FOILED.

With Valuables in Left Hand Protection is Perfect—Plan Has Sanction of Police.

A man who carries his money and his watch in his left hand will never lose a penny nor a time-piece in a hold-up. The precaution which is a perfect one, is so simple that few people have thought of it. Yet it has the sanction of the police, and its efficacy has been proven in more than one instance, says the Chicago Tribune.

As soon as the citizen is confronted by the hold-up man he will, if he has his money and his watch in his hand, throw them on the nearest lawn or into the ditch. No highway robber has time to stop and look for either. There is no sense in carrying valuables in the right hand, because the first move of every accomplished hold-up man is to grab his victim by his right arm. The movement is made to prevent the victim from reaching for a revolver.

The man who tries to draw a revolver while the hold-up man is in front of him takes his life in his hands. If a citizen carries a revolver at all he should carry it in his right hand while in a dangerous street. His money and his watch should always be in his left. Then after he had thrown them away and the robber has departed discomfited the victim can take his time about finding his property.

This simply plan discounts all the revolvers, sword canes, slungshots, and brass knuckles ever invented and has the added beauty that it can be employed by a woman as well as a man. To throw the purse or the watch away takes but a fraction of a second, and that isn't long.

Deer in Maine are now shot by permission of the game commission with a bullet made of flour paste, soluble glue and morphine. It only stupefies them so they can be captured alive. It also would avoid the general manslaughter of the Maine deer season.

FATHER SHERMAN TO LECTURE.

Sacred Concert and Lecture at St. Mary's Church.

The Rev. Thomas Ewing Sherman, S. J. will lecture at St. Mary's church, this city, on Sunday evening, Nov. 29. All citizens, irrespective of creed, are invited by the Pastor, Father Morrissey, to come and hear the distinguished son of General William Tecumseh Sherman. Father Sherman, as an infant, was with his famous father on the memorable march to the sea. His subject is "Catholicism and Americanism." Preceding the lecture, a short program of sacred music is to be rendered.

The services will conclude with solemn benediction of blessed sacrament.

RAVINIA.

The art class held every Saturday evening from nine to eleven in the Ravinia school house is under the supervision of the art institute, with Miss Coe as instructor. The pupils numbering 18, are making a good start and is hoped others may take advantage of this. Pupils may enter at any time. The terms are \$5 for 12 lessons of two hours each. As Miss Coe is perfectly capable of taking amateurs at all stages it seems too good an opportunity to miss.

Miss Miriam Bowles of Dixon, Ill., who has been visiting at the J. F. Leaming home, has returned to Dixon.
