A GOOD PAPER.

Well known and prominent residents of this locality are continually telling us what a fine field we have for the publishing of a successful paper. We are inclined to think this may be true.

The point is, what kind of a paper do the people want? What will fairly represent them, so that ner of folk inhabit this portion of the north shore?

Strangers form their impressions of a town, more readily from the character of its newspapers, ind than from any other one indica-

A town's enterprise is shown by the advertising which is done Office Fletcher Block in the home paper. The liberal advertiser shows himself to be a wide-awake, progressive whose habit of mind would induce Is it not the sage of Concord him to have the best and freshest

His wery advertisement com-What we have done may be mends him to the public as a de-

> The man of experience in considering the possibilities of a town as a place of residence, is greatly influenced by these things.

The advertising columns not only speak well for the town but

An irritable, weak-kneed, for mean spirited editor indicates an ignorant, exacting, faultfinding and difficult community.

When an editor is appreciated, properly rewarded and conscious of a satisfactory environment, his paper reflects the warmth and justice.

Persons looking for real estate investment, a residence locality, or an educational center, are irristibly attracted to a town, which, by supporting a good

The man who says, 'we haven't that our happiness depends not a first class paper,' says in effect, we haven't a first class town.

A great many people in this world are praying for things that The good and faithful enter great many others are working If he is sick and in prison he continually into the joy of their for things that they won't know is not committing any new crime. Lord with perpetual thanksgiving. what to do with when they get.
