

Additional Locals.

The committee on church and hall doors and fire escapes have not had the Baptist church doors open outward, no fire escapes put in the Opera House or the hotel, but they will get there all the same.—Waukegan Gazette.

Mr. Earle Irecale, uncle of Lyman Prior and well known to many of the boys here, acted as attorney for the defense at the Y. M. C. A. mock trial held at Evanston last Saturday evening, the charge being theft of an association banner.

Elgin, noted for watches, butter and factories in general, will soon be known as the location of the largest brewery in the state of Illinois. The ground is already broken for the addition to the Elgin Brewing Company's plant.

Mr. Daniel LaBar, of Delavan, Wis., who made two trips here to accompany the bodies of the Misses LaBar to their final resting place, lost his only child, a little girl of four years, Tuesday p. m. She died from an attack of measles.

The fifth annual meeting of the Illinois State Historical Society will be held at Bloomington Jan. 27-29. Distinguished speakers will take part, among them Pres. James of N. W. University, Mrs. John A. Logan and Hon. Chas. P. Johnson, of St. Louis.

Not for years has the sleighing been so good in this part of the country. It might well be called a Canada winter. The young people have taken advantage of this fine sleighing and parties have frequently been heard on the streets during the past week.

Never in the 16 years history of the Illinois Firemen's Association have they been so royally entertained as during the convention of the past week. Saturday morning the final session was held at Waukegan and the convention adjourned to meet there again in January 1905.

The Modern Woodmen invited their friends to a euchre party last Monday evening at their lodge rooms. A delightful evening was enjoyed by all present. Refreshments were served. Mrs. Julia Duffy was the fortunate lady to win the first prize and Mr. John Zehren won the first gents' prize.

On Feb. 4th and 5th the County Farmers Institute will be held in the Deerfield schoolhouse. Prof. Frank H. Hall, County Supt. F. N. Gaggin, Prof. Glover and Mrs. Southworth will be present. Mrs. Southworth will speak on Domestic Science.

Wednesday evening the Highland Park Euchre Club met at Mr. Albright's. Mr. Greenslade won the first prize for the gents and Mrs. Maerklin the ladies' first. Mr. Maerklin captured the gents "booby" prize and Mrs. H. M. Prior the ladies'. The next meeting will occur at the residence of Mr. H. M. Prior Wednesday.

The young men of the Baptist church here have formed a club for self advancement and for special work along church lines. They meet on Monday evenings at the homes of the members. It is to be hoped great good may be derived as the result of this effort on the part of the young men. There are many here who ought to be organized into such a band. A Y. M. C. A. in this city would be as beneficial as a library.

The Northwestern Road is rigidly enforcing its rule that engineers shall not pass stations without stopping where signal lights are not displayed. A trap was laid for careless engineers at Lake Forest, the lights were purposely extinguished, and as a result two were laid off for 60 days as a penalty. Eight conductors, eight firemen and eight engineers are now on a 60 day vacation as a result of nonobservance of this rule at Mayfair.

The attendance at Monday night's lecture at the high school was not as large as could be desired. It is hoped the parents and friends of the school will consider carefully the importance of cooperative work with the scholars in high school and the benefit to be derived personally from such a line of work and the consequent aid to be gained by the students in association with older minds in school pursuits. These lectures will be delivered every two weeks, the next occurring on Feb. 1. Subject, "The Campaign in the Philippines" with exhibitions of relics and curios by Sergeant W. J. Barnes.
