

### Additional Locals

Leslie McPherson and Willie Eckhardt are boarding at the Keystone Cafe during the absence of Mr. and Mrs. A. G. McPherson, who have gone south on account of Mrs. McPherson's health. She has been in poor health for some time.

Lake county masons had a rousing good time at the initiatory ceremony at Antioch, February 7. Two banquets were served the guests, one at six and one following the session. This was the most elaborate work ever done by the Antioch order.

On Wednesday evening a crowd of merrymakers from here took a hay rack ride out to the home of Mr. and Mrs. E. Ender, at Deerfield. The evening was all that could be desired and the "wee sma hours" found a happy crowd on their journey home.

Miss Jessie Harding gave a reading, "A Man Without a Country," in Library Hall, Friday evening. Mrs. Annette R. Jones accompanied on the piano with patriotic airs. The evening was most delightful to all who were fortunate enough to be present.

Wednesday evening the friends and members of the Baptist church, of which Rev. Geo. D. Rogers is pastor, surprised him at his home after the prayer meeting hour. A good fairy had let out the secret that Wednesday was the anniversary of the pastor's birth.

The addition to the Highland Park Hotel is about completed. It consists of suites of rooms, with parlors and alcove rooms, fitted up with every modern convenience for the comfort of guests. Single rooms have also been added which are a luxury in equipment.

Zionites, previous to this time, have not been permitted to keep poultry or cows within the limits of Zion, but the ban has been removed and the Lake county farmers as a result are reaping a harvest from the sale of chickens. Surely they can say "what shall the harvest be?"

The Y. Y. C. held their regular meeting Saturday evening at the residence of Mr. Roland Bleymel. Election of officers was the order of the evening. The following were elected for the ensuing year: President, Mr. Lyman Prior; Vice President, Leslie McPherson; Treasurer, Herbert Moon; Secretary, Oliver Schaefer.

At the meeting of the Cook County Teachers Association on Saturday, Rev. Richard D. Harlan, president of Lake Forest University, addressed the teachers on the subject, "The

School as a Nursery of Patriotism." He urged the consideration of the question of patriotism at home and not conditions thousands of miles away, when there is much to do right here.

The lecture last Monday evening at the high school was not as well attended as the management could have wished. Rev. P. C. Wolcott's address on "Japan and the Japanese" has been indefinitely postponed on account of the recent death of his mother. It is hoped he may soon be able to deliver this lecture because at this time it would be of unusual interest.

Mrs. Ambrose Cramer, of Lake Forest, lost a pearl necklace valued at \$5,000 while on her way from a photograph gallery to the Northwestern depot, in Chicago. A young man picked it up on Chicago avenue, and not knowing its value put it in his pocket. A reward of \$300 was offered for the necklace and it was returned to the owner by a detective from the central office. He refused to give the name of the finder.

On Thursday evening James E. Sheahen with his good nature and "four-hoss-team" took a merry load consisting of sixteen couples to the home of J. C. Ender, Deerfield, where a most delightful evening was spent playing cards and listening to excellent music. Prizes were won by Mr. H. H. Decker and Mrs. James Sheahen, and Mr. William Dooley and Mrs. James H. Duffy. All departed declaring Mr. Ender and family royal entertainers.

Tuesday evening the Winnetka Euchre Club met at the residence of Mr. and Mrs. F. M. Evans, on Central avenue. The hours were delightfully spent in earnest efforts to obtain the first prizes which were well worth working for. Miss Annie Rudolph, a guest of the club, was the winner of the ladies' first prize, and Mr. T. P. Evans, of Winnetka, captured the gents' first prize. Mrs. Vivian won the consolation prize for ladies, and C. T. Ford the gents'.

## KEROSENE WAS A SURPRISE

To the man who lived by candle light, and the man who was used to the odor of coal oil smoke, sidestepped a little when they wanted to pipe his house for gas. New ideas in lighting have had to fight their way. This is what ELECTRICITY is doing now. Electric Light is the only illuminant today which is entirely free from odor or smoke. You cannot afford to be without it. A postal card will bring our representative to your door.

We will do your Wiring Reasonable.
