RAVINIA.

Mrs. A. L. Hill has returned to her home here.

Mrs. Horace Collom and baby were visiting in Chicago this week.

Mr. W. L. McKenzie has been very sick with la grippe during the past week.

Mr. Arvid Magnuson has accepted a position as clerk in the Highland Park postoffice.

The Hesler place will be occupied this spring by the new owner whose name we did not learn.

Miss Eva Mitchell has been confined to the house with a slight attack of la grippe the past few days.

Miss Anna C. Peck, who has been visiting her friend, Mrs. Ashton, of Chicago, has returned after an absence of ten days.

Mr. Walter, who was struck by an oil cup flying from a passing train, will be obliged to have his leg amputated as a result of the injury to the bone.

Some of the Raviniaites would like to know the name of the man who condemns good sidewalks in front of vacant lots and forces owners into heavy assessments. He evidently doesn't fear "future punishment."

Deer in Maine are now shot by permission of the game commission with a bullet made of flour paste, soluble glue and morphine. It only stupefies them so they can be captured alive. It also would avoid the general manslaughter of the Maine deer season.
