KEROSENE WAS A SURPRISE

To the man who lived by candle light, and the man who was used to the odor of coal oil smoke, sidestepped a little when they wanted to pipe his house for gas. New ideas in lighting have had to fight their way. This is what ELECTRICITY is doing now. Electric Light is the only illuminant today which is entirely free from odor or smoke. You cannot afford to be without it. A postal card will bring our representative to your door.
