

## Our Reputation is at Stake.

We have been selling shoes in this town for 2 years. That ought to be a guarantee of our ability to serve you with shoes. We hope that our natural inclinations are good, but apart from that it wouldn't pay us to sell poor shoes or to ask high prices.

All the correct styles are here for men, women and children. We invite calls for inspection and comparison with what you have seen elsewhere.

## EDUCATOR SHOES

Keep the child's foot as nature intended, as shown at the left.

Many children's shoes force the pliable growing bones and muscles into unnatural shapes as shown at the right.

Educators are designed to keep the bones and muscles in nature's shape.

The Oak leather soles provide lightness, flexibility and wear and upper leathers are of the highest class.

To have your child thank you for perfect feet in later life buy EDUCATORS.
