Alderman Hart tried to have a resolution passed allowing some of the city employes a two weeks' vacation during the summer, with full pay, but the majority of the council preferred to wait until the appointments were confirmed, although they all seemed willing to grant the request.

Dr. George W. Turner has returned from Fort Wayne, Mich. (Detroit), where, by order of the Secretary of War, he delivered a course of lectures on Hippology to the officers of that post. We congratulate the Doctor upon this high compliment. Mrs. Turner and daughter accompanied him, visiting in Detroit.

The new Garage for the special use of automobilists at The Moraine is approaching completion and will be ready when the hotel opens for business on next Saturday. The hotel has also prepared a handsome new dining-room for chauffeurs, and every effort is to be made this season to attract as much custom as possible from automobilists. The ordinary of last year set apart for the use of nurses and children was found to be too small and has been nearly doubled in size, and various other changes and improvements are being made to keep pace with the constantly growing business of The Moraine.

## KEROSENE WAS A SURPRISE

To the man who lived by candle light, and the man who was used to the odor of coal oil smoke, sidestepped a little when they wanted to pipe his house for gas. New ideas in lighting have had to fight their way. This is what ELECTRICITY is doing now. Electric Light is the only illuminant today which is entirely free from odor or smoke. You cannot afford to be without it. A postal card will bring our representative to your door.

We will do your Wiring Reasonable.
