FOR CIRCUIT CLERK.

I shall be a candidate for renomination, for a second term, to the office of Circuit Clerk, subject to the decision of the Republican County Convention.

LEWIS O. BROCKWAY.

PROHIBITION CONVENTION

The Prohibitionists of Lake county will hold their county convention at Libertyville, Friday, the 22nd inst. in the Town Hall, at three o'clock p. m., to nominate a county ticket. Some speaking excellent may be expected.

JUST SO!

We Have the Same Breed Here. Razor-Backs, and Plentiful. (Apologies to the Razor-Backs.)

During last week two applications for the same free advertising reached this office from a Lake Forest Enterprise. Each application was written on a letter head and enclosed in an envelope. In one, copy for the ad was written on another letter head, and in the other the matter was printed in a circular, making six samples of job printing, not one of which was printed in Lake Forest, yet in every case the work, even to use of the same type and same paper could have been duplicated in the Forester Office.

Had we suggested that they get their free advertising where they got their job printing we would have been called lacking in public spirit and inconsistent.

The request was granted and the matter asked for appeared in the Forester last week.—Lake Forester of May 14.

A WARNING

NOTICE TO PUBLISHERS—
The enclosed clipping was published in the Paducah News-Democrat of April 27, 1904.

Many of the statements therein are incorrect and supposed to be damaging. I have given instructions to bring suit against the publishers of that paper for damages, said suit to be conducted by the Anti-Boycott Association and backed by the Postum Cereal Co., Ltd.

All publishers are hereby notified that any attempt at boycotting the writer, the Postum Cereal Co., Ltd., or their products through the columns of their publications will be met with prompt legal procedure for damages.

I do not propose to permit labor unions to manage my business. They have tried it and failed.

I am not opposed to Unions so long as they are peaceable and attend their own business, but am now, and always shall be, actively opposed to the tyranny, impudence, oppression, picketing, boycotting, violence, destruction of property, murder and general thuggery as conducted by many members of labor unions.

We have not one penny for tribute to anarchists and law breakers, nor any compromise with them, but we have some millions, if need be, for defense and the right to the liberty that some of our forebears seemed quite willing to give up their lives for.

Earnestly and respectfully yours,
C. M. Post.

The following is the article alluded to:

It is a fact not generally known by members of labor unions and their friends, that C. M. Post, of Battle Creek, Mich., proprietor and manufacturer of a substitute for coffee known as "Postum Cereal," and "Grape Nuts," is one of the principal backers of the infamous Los Angeles Times, which has given so much trouble to the cause of organized labor of all classes during the past few years, and it is also true that he is one of the leaders of the organization known as the "Manufacturers' Association," whose sole purpose is the fighting of labor unions. Also it is a fact that he has been the cause of many of the strikes and lockouts that have occurred within the past year in the different trades.

Now that Mr. Post has taken it upon himself to use his influence and his money to prevent laboring men from exercising their rights as American citizens in organizing for the purpose of improving their social and financial condition, we believe it to be the duty of every lover of right and justice to refuse to purchase the product of this would-be destroyer of unionism, and to do all in our power to discourage its sale.
