ABRAHAM LINCOLN'S OPINION.

The liquor traffic is a cancer in society, eating out its vitals and threatening destruction, and all attempts to regulate it will aggravate the evil. There must be no attempt to regulate the cancer—it must be eradicated. Not a root must be left behind, for until it is done all classes must continue in danger of becoming victims of strong drink.—Abraham Lincoln, in 1851.

Was Abraham Lincoln behind the times or was he ahead of the times, which?

With dollar wheat and dollar meat,
And everything as high,
O, let us pray by night and day
I here won't be dollar pie.
