**SPECIAL ASSESSMENT NOTICE.**  
Special Warrant No. 94.

Public notice is hereby given that the County Court of Lake County, Illinois, has rendered judgment for a special assessment upon property benefited by the following improvement.

For grading, draining, paving with macadam and otherwise improving the Green Bay road, sometimes known as Green street and sometimes known as Chicago and Milwaukee road from the south corporate limits of the City of Highland Park thence northerly along said Green Bay road to its junction with First street (except where said Green Bay road intersects any street now paved and except a space nine (9) feet wide each side of the center line of Laurel avenue or eighteen (18) feet over all) and First street from its junction with said Green Bay road thence northerly to the north corporate limits of the City of Highland Park, County of Lake, and State of Illinois in the City of Highland Park, Lake County, Illinois, as will more fully appear from the certified copy of the judgment on file in my office. That the warrant for the collection of such assessment is in the hands of the undersigned.

All persons interested are hereby notified to call and pay the amount assessed at the collector's office, D. M. Erskine & Co's Bank, north east corner St. Johns and Central avenues, Highland Park, Illinois, within thirty days from the date hereof.

Notice is further given that said assessment is divided into ten installments.

That the amount of the first installment is \$4,885.98 and that each of the remaining installments is \$4,100.28 that all remaining installments draw interest at the rate of five per cent per annum from September 23rd, 1904.

The first installment is payable on the second day of January, A. D. 1905.

The second installment one year thereafter and so on annually until all installments are paid.

JOHN C. DUFFY,

From a small beginning this firm has grown until our factories now cover many acres. Some of our machines sold fifty years ago are still giving faithful service.

**WHEELER & WILSON SEWING MACHINES**

The Rotary Hook, a distinctive feature, originated with this machine, operates in one continuous revolving motion. Compared to a shuttle it works on exactly the same principle as the circular buzz saw in contradistinction to the cross cut saw. The work that can be accomplished, the speed that can be made, and the ease and convenience of operation all are features that have combined to give this machine its present enviable prestige.
