

HIGHWOOD

A baby boy was born to Mr. and Mrs. C. Russell, yesterday.

Steensohn Brothers are erecting a large store house in the rear of their store.

Julius Laegeler has his drug store finely decorated with flags and bunting in honor of the 4th.

C. E. Goodwin moved his family this week to C. E. Preston's house on Highwood avenue.

Mrs. Hook who has been at the Augustina Hospital for treatment for some time past, returned home this week.

The Peter Hand Brewing Company are erecting a beer depot near the C. and N. W. R. R. depot. It will be in charge of Anthony Behrens.

The soda fountains notices in last weeks issue, referred to the soda fountain in Julius Laegeler's drug store. It you would be convinced of the truth try the sodas from that fountain.

Miss Mary Tripton, who has been stopping in the family of John Rudolph for some time past, was married to Dr. Ralph Child of Wilmette last Wednesday.

Don't forget the public meeting at the city hall Thursday evening. The sewer-

age question interests every citizen, and all should be present at this discussion of ways and means.

Gibbs Colts defeated the Waukegan nine on the reservation drill ground last Sunday, the score being 9 to 7. The Colts are in fine condition this season, having lost but two of the fifteen or sixteen games played.

About fifteen musicians met in Goodwin's barber shop last evening for the purpose of discussing plans for a band. There is much excellent material, and there is no reason why Highwood should not have a high class band. Let the people contribute toward its equipment. M. M. Davis, recently saxophone player in the 27th Infantry band at Fort Sheridan, will be the instructor and leader.

At the council meeting last Tuesday evening the street and alley committee was empowered to decide upon the streets to be graded and macadamized this year, and are looking over the streets this week. It was also ordered that a new city pound and yard for storing city supplies of tile and lumber be erected in the rear of the city hall. The appointment of Marshal Charles Gordon was approved. Several bills were passed upon and ordered paid. The meeting then adjourned.

Our Soda Fountain

It is surprising the number of people served at our soda fountain! The fruit flavors bring many. That pure, rich ice cream bring many more. The favorite phosphates and fancy drinks please still others. We invite everyone who has not yet become accustomed to coming here, to come now and taste some of the delicious dainties.

The Best Soda

The really great, important things that make or mar soda are the fruit juices that form the flavors. Real fruit juices can only give you the true flavor of the fruit. To make and serve soda the best, the maker must know what manufacturers make the most honest fruit juices; we know the best and buy them.

"DO IT TO-DAY!"

"And to think that ten months ago I looked like this! I owe it to German Syrup."

The time-worn injunction, "Never put off 'til to-morrow what you can do to-day," is now generally presented in this form: "Do it to-day!" That is the terse advice we want to give you about that hacking cough or demoralizing cold with which you have been struggling for several days, perhaps weeks. Take some reliable remedy for it TO-DAY—and let that remedy be Dr. Boschee's German Syrup, which has been in use for over thirty-five years. A few doses of it will undoubtedly relieve your cough or cold, and its continued use for a few days will cure you completely. No matter how deep-seated your cough, even if dread consumption has attacked your lungs, German Syrup will surely effect a cure—as it has done before in thousands of apparently hopeless cases of lung trouble. New trial bottles, 25c; regular size, 75c. At all druggists.
