The Murder of Mr. Boulter

About the greatest shock that has ever come to our suburb is the daring murder of our townsman Thomas Boulter. On Sunday morning Mr. Boulter was driving from North Chicago, with his eighteen months old son, and when he reached the woods. road, just east of the Sacred Heart Convent, at Lake Forest, a man asked for a ride. As the seat was full the man rode in the back of the wagon, and before they had gone many rods, stood up and asked the time. When Mr. Boulter pulled out his watch, he was hit on the head and made unconscinous. This is as much as could be learned from Mr. Boulter during his short lapses of consciousness at the hospital, the next day. The wagon was evidently turned around as the horse, wagon and child were discovered in Lake Forest at noon. At eleven Mr. Boulter had stopped at Mr. Calverts green houses, so the robbery war committed as early as 11:30 Sunday morning. Mr. Boulter was found unconscious by the C & M E Railway men early Monday morning and taken to the hospital at Lake Forest, where he died Wednesday evening, from the wounds he had recieved. Such a tragedy as this occuring in our midst, and the victim being one of our most respected townsmen, makes us feel very bitter toward the evil that exists. Mr. Boulter was born in England, 34 years ago, and has been a resident of our city ten years. For the past few years he has made many friends through his honest and upright dealings in his buisness as florist. Many of our beautiful yards and gardens are due to the work of Mr. Boulter. A wife with two small children survive him, and one brother, Edward Boulter of Winnetka. The sympathy of the people of Highland Park, is extended to this family in their extreme bereavment.

The remains will be taken to the home of G. Brown, 50 Second street, Sunday morning and will be taken to the church at 2:15. Funeral services will be held Sunday afternoon, at 2:30 in the Episcopal Church. The interment will be at Lake Forest.

Press Club Outing

The members and ladies of the Chicago Press Club are enjoying an outing at Ravinia Park to-day as the guests of the Chicago and Milwaukee Electric R. R., and needless to state, they are having a right good time. A special train brought them from Evanston early this afternoon, and at the gate they were given the freedom of the grounds and building for the day. The rival baseball teams of the club brought their paraphernalia with them and contested honors on the stadium grounds to the delectation of the fans. There were many sensational feature plays, but space is too limited to speak of them.

The Damrosch Orchestra rendered an excellent special program for the guests in the afternoon, and dinner was served on the verandahs of the Casino.

The grand ball room was thrown open to the visitors in the evening, and many availed themselves of the opportunity to test the finest ball room floor on the North Shore.

Late in the evening the guests departed on a special train to Evanston, taking the steam cars from that place to Chicago.

Despite the threatening weather last Tuesday there was a large attendance at the Damrosch concerts at Ravinia Park. From an early hour in the morning Park-bound cars were filled to overflowing with pleasure seekers, and Sheridan Road was blocked with automobiles.
