water main on Evolution avenue will be in shape to present to the Council next Tuesday evening, but it looks somewhat doubtful now. There are 800 feet of water main to be laid, and the petition requires the signatures of the owners of at least 800 feet fronting on either or both sides of the avenue. Thus far the petition is lacking about 175 feet.

On Wednesday Judge Pease rendered a decision in four cases which have been on the docket for two weeks or more. The cases were all caused by a controversy between two citizens of this city over the rights and privileges of chickens. One citizen who had for some time been annoyed by his neighbor's chickens, shot five of them with a revolver, and sent them back by air-line. The neighbor's wife opened fire with a pistol from her back porch, the evidence conflicting as to whether she fired at the man who shot her chickens particularly or at the atmosphere generally. Both were arrested for discharging firearms in the city limits. Mrs. Citizen sued for recovery of the value of the chickens and was arrested on a state warrant charging intent to kill. Each party was fined \$2.00 and costs for discharging fire arms. The civil case was non-suited, and the woman is now under \$100. peace bond for the next twelve months.
