The Shoe Question
 has been tremendously simplified through our offering of
ALL AMERICA
\$3.50 SHOES

It amounts to just this: You secure custom styles in every pattern that ordinarily would cost from \$2.00 to \$3.00 more, as well as the full limit of wear and comfort.

Straws show which way the wind blows. People who've formerly paid \$5.00 and \$6.00 for shoes wouldn't buy All America at \$3.50 unless they were exceptionally desirable.

They're doing it right along. You ought to do the same thing. Come in and see the latest arrivals.

Tom Watson's Magazine

"The Magazine with a purpose back of it," was established to teach the best way of abolishing these special privileges, and, hence, of rendering the Trusts powerless to rob the public. It is a big monthly magazine of 128 pages, with illustrations, cartoons, Mr. Watson's brilliant editorials, special articles a serial story, novelettes, short stories and poems, by the worlds best writers. Regular price, \$1.00 per year; 10 cents the copy, at all news stands. Every farmer is interested in knowing the best way to cure the Trust evil and how to bring it about. Now in its second volume, Tom Watson's Magazine is firmly established, and its circulation is growing rapidly; but we want to add a hundred thousand subscribers to our list in the next month or two.

Send Us Three Names

Of reading farmers in your neighborhood, together with this advertisement and 25 one-cent stamps—or a silver quarter securely wrapped—and we'll enroll you for a four month's trial trip subscription. Or five of you may club together, sending a dollar bill and 25 good names, and addresses, and get five trial trip subscriptions. Learn how to clip the Trust's wings. Address

INDIGESTION'S RECORD

"The best remedy I can prescribe for your indigestion, madam, is Green's August Flower. I know of several other physicians who prescribe it regularly."

Indigestion is making an awful record as a cause of sudden deaths. It is beating heart-failure in its ghastly harvest.

You read in the papers daily of apparently healthy and even robust men being suddenly attacked with acute indigestion after enjoying a hearty meal, and of their dying in many cases before a physician could be called in.

This should be a warning to you who suffer with regular or periodical attacks of indigestion. If these unfortunate victims of acute indigestion had taken a small dose of Green's August Flower before or after their meals they would not have fallen a prey to such sudden seizures.

August Flower prevents indigestion by creating good digestion. It also regulates the liver, purifies the blood and tones up the entire system in a natural way.

Two sizes, 25c and 75c. All druggists.
