### GOOD for OLD and YOUNG

August Flower keeps the children healthy and strong— Full of vigor and frolic the whole day long. So when Mamama needs more they rush off in high glee, And shout to the druggist: "Please give it to me!"

Inability to get up brisk and fresh in the morning, lack of appetite, pallor, muddy complexion and poor spirits— these all indicate a disordered stomach and bad digestion—in adults and children, too. They also indicate the urgent need of taking Green's August Flower regularly for a few days.

It's a reliable old remedy for all stomach troubles, never fails to cure indigestion, dyspepsia and chronic constipation, and is a natural tonic for body and mind. Two sizes, 25c and 75c. All druggists.
