

Highwood

It was a jolly party of sixty people that gathered at the residence of Albert Yager on Monday evening for a birthday surprise party in his home. The guests were entertained by dancing and several tables of euchre. Refreshments were served during the evening and every one present enjoyed themselves to the utmost. Mr. Yager received the best wishes of those present for many more anniversaries and many tokens of esteem of a more material nature were left with the host.

Mr. E. A. Heustis has been appointed policeman to succeed John McNamara.

The many friends of Mr. Charles Nelson will be pleased to know of his marriage to Miss Mary Wise of Wilmette. The ceremony was performed last Monday afternoon at the home of the bride and only immediate friends of the couple were in attendance.

Westcott and Bergen have been in attendance, and at last accounts the boy was resting easier, although his temperature is still high. Mr. Laegeler has the best wishes of the community for the speedy recovery of his son.

Mr. O. L. Harrison, a young man who is employed at the power station of the C. & M. E. R. R. in Kenosha, received a painful accident on Monday as he was about to pull one of the switches in the station. He received the kick of 1600 volts through his hand and was severely burned as a consequence. Drs. Robinson and Ingalls attended him in his injury.

Mr. Lee Steehson is moving into his new home over his store. Mr. Hemenway, who formerly occupied these apartments, has just moved into the new Matthews house on Webster avenue.

"DO IT TO-DAY!"

"And to think that ten months ago I looked like this! I owe it to German Syrup."

The time-worn injunction, "Never put off 'til to-morrow what you can do to-day," is now generally presented in this form: "Do it to-day!" That is the terse advice we want to give you about that hacking cough or demoralizing cold with which you have been struggling for several days, perhaps weeks. Take some reliable remedy for it TO-DAY—and let that remedy be Dr. Boschee's German Syrup, which has been in use for over thirty-five years. A few doses of it will undoubtedly relieve your cough or cold, and its continued use for a few days will cure you completely. No matter how deep-seated your cough, even if dread consumption has attacked your lungs, German Syrup will surely effect a cure—as it has done before in thousands of apparently hopeless cases of lung trouble. New trial bottles, 25c; regular size, 75c. At all druggists.
