

Highwood

H. A. Walsh, motorman on the Electric road, is laid up with the grip.

There is a nice display of Valentine's in Julius Laegler's windows.

Harry Felvey, who was best man at his sister's wedding, has returned to his home.

Miss Lawler of Rochelle, Ill., who came to Highwood to attend the wedding of Miss Felvey and Mr. Hiser, and who has been visiting at the home of William Felvey, has returned to her home at Rochelle.

It is reported that a new building is soon to be erected on the corner of Railway and Highwood avenues, to contain a hardware store, drug store and bank. The upper stories will be used as flats.

Miss Ellen Davis left Friday morning for Tampew, Illinois, where she will spend several weeks visiting her aunt, wife of Rev. John Armstrong.

Bussey Breakwell has resigned his position with H. J. Hemenway and young Sullivan of the Electric road has taken his place.

Many of the boys have been enjoying the fine skating of the past week.

City clerk A. W. Himmler entertained a box party at the Chicago Opera House one evening last week.

The reporter for the News made an error last week in giving the names of the boys who attended the dance at Elmhurst; no disrespect, however, was intended.

Mr. and Mrs. Hiser, who have been visiting Mrs. Hiser's brother, William Felvey, have left for their new home at Rochelle, Illinois.

Julius Laegler has added a department of picture molding to his store.

Charles Meek and Charles Melville, motormen on the electric road, leave next week for a trip to Los Angeles.

Henry Liskey, who was injured by being caught between cars of the C. & M. E. R. R. Co., has recovered sufficiently to be able to go to work again.

An eight and one half pound boy was born to Mr. and Mrs. William Steele Wednesday morning.

Mrs. Judge Daniel Pease left for an extended visit to Eureka, Kansas, to attend the wedding of her son Rollin to Miss Lena Mason of that city. Mr. Pease was a former correspondent for the News-Letter.

Mrs. Anna M. Noggle, widow of the late Judge David Noggle of Wisconsin, who was also chief justice of Idaho for a number of years, died at the home of her daughter, Mrs. P. W. Puffer, Monroe, Wisconsin, Sunday evening, at the age of 91 years. She and her sister, Mrs. Hiram Johnson, were the oldest twins in the United States. Mrs. Noggle was the mother of Mrs. Braimerd and grandmother of Mrs. Albert Yager of Highwood.

David Meninger has moved his family to North Chicago, as that place is now the end of his run. He now has one of the night runs to Kenosha.

The city is to build a protecting railing on Prairie avenue near the residence of Judge Pease. It has been suggested that a stone abutment be built, but the finances of the city will not warrant such an expenditure at the present time.

A children's party was held at the Breakwell home in honor of George Walz's ninth birthday Wednesday, January 31. The children played for a half hour and then partook of cake and coffee. The shades were drawn and the lights from nine candles shone brightly, while the children laughed and enjoyed the fun.

They then amused themselves with out door games until evening acted her part in the play, when all departed for home. Following are the names of those present: Richard and Paul Lundgren, Martin and Paul Muzik, Wihlmena and Heughes Warren, Frank, Kathryn, Augusta, Clarence, Baby and Mrs. Carlson, Ada Roberg, Chester Sullivan, Fay Breakwell, and George, Frank, and Ernest Walz. The cakes made by Miss Olive Breakwell were delicious, and we wished the Editor could have had a bite.

NOTE.—The editor wishes so, to.

To the Editor:

In the issue of your paper for last week appeared an announcement of a box social held in the parlors of the Swedish M. E. Church on Saturday which netted the church \$52.00. Such an affair as this is never held at our church and would not be permitted to be transacted according to our views of christianity.

I suppose it refers to a certain basket or box social combined with a dance held by the Swedish Luthean that same Saturday. You would, Mr. Editor, do a great justice to the Swedish people living in Highland Park, Highwood and Lake Forest, who belong to our Sw. M. E. Church, by rectifying said announcement.

I remain, your's,

O. J. Lindberg

Pastor M. E. Swedish Church

GINSENG  
Information Relating  
to the Richest Product  
of the Soil

Prof. Howard of the Missouri State College says: "I advise American farmers to cultivate Ginseng. Big profits are realized. It is easily grown." A bulletin by the Pennsylvania State College says: "The supply of native Ginseng Root is rapidly diminishing and the price per pound is correspondingly increasing, while the constant demand for the drug in China stands as a guarantee of a steady market for Ginseng in the future." American Consul General Wildman at Hong Kong writes: "There will be little difficulty in disposing on this coast of all the Ginseng that is grown in America.

Ginseng is a staple on the market the same as corn, wheat or cotton. The present market price varies from \$6.00 to \$8.00 per pound, while the cost of production is less than \$1.50. There is room in one's garden to grow several hundred dollars worth each year. The plant can be grown throughout the United States and Canada in any soil or climate that will grow ordinary garden vegetables. There are two planting seasons, spring and fall.

We are buyers and exporters of the dried product, and grow roots and seeds for planting purposes. Let us show you how to make money growing Ginseng. You can get a practical start in the business for a small outlay and soon have a nice income. Send two-cent stamp today for our illustrated literature telling all about it.
