**THE LIVER QUARANTINE**

"TAKING HIS MEALS OUT."

Hurried eating has ruined many a man's  
stomach. The digestion-destroying  
process is gradual, often unnoticed at first.  
But it is only a short time until the liver  
balks, the digestive organs give way, and  
almost countless ills assail the man who  
endeavors to economize time at the ex-  
pense of his health.

A torpid liver causes a quarantine of the  
entire system. It locks in the diseased  
germs and body poisons and affords them  
full play, inviting some serious illness.

In families where August Flower is used,  
a sluggish liver and constipation are un-  
known, so are all stomach ailments, as  
well as indigestion, dyspepsia, heartburn,  
headaches and kidney and bladder affec-  
tions. No well-regulated family should  
be without this standard remedy.

Two sizes, 25c and 75c. All druggists.
