The petition was referred to a special committee consisting of the Mayor, City Attorney and the chairman of the Street and Alley committee to confer with the proper officials of said railway company, in the matter of abating the nuisance.

A petition from the property owners on Deerfield avenue requesting that said street be improved was referred to the Board of Local Improvements recommending that they consider the improvement of a system of streets consisting of Deerfield avenue, Hickory street, Laurel avenue, and McGovern street.

The committee on Public Building and Grounds report that they are preparing plans and specifications for remodeling the City Building. Action deferred for further consideration.

The Fire and Water Committee report the progress in the matter of the purchase of Hose Wagon for the Fire Department and ask that extension of time be granted in the matter. Granted.

#### To The Voters of Deerfield

I desire to thank the good citizens of this town for the continued confidence reposed in me as manifested at the polls last Tuesday, when I was re-elected Assistant Supervisor.

This is especially gratifying in view of the fact that so many misleading statements regarding my past conduct in, and present fitness for Office have been made by the press and otherwise, all of which the people know to be false.

I shall in future, as in the past at all times endeavor to serve the best interests of all the people as your representative in the County Board.

Yours Respectfully,  
M. J. GIBBS.

#### An Everyday Creed.

I believe that work is the best panacea for most ills, especially those of the mind, and that fresh air, exercise and sleep are the best medicines for the body.

I believe in fun and laughter, both as a tonic for the blues as an outlet for high spirits.

I believe in the beauty of flowers, sunsets and mountains; in the music of birds and brooks.

I believe that there is a bright side to everything, and that we would be more aware of the good about us were our hearts more responsive to its touch.

I believe in human kindness.

I believe that an ounce of frankness and explanation is worth a pound of repentance and forgiveness, and will often prevent heartache and bitter misunderstanding.

I believe in the hearty handshake, in hospitality, comradeship, friendship and love. — Boston Brown Book.

#### Letter to Mr. C. M. Greene,

Highland Park, Ill.

Dear Sir: Some think we take a good deal of risk in inviting complaints of Devco lead-and-zinc—we authorize our agent to sell it under this guarantee:

"If you have any fault to find with this paint, either now in putting it on, or hereafter in the wear, tell your dealer about it.

"We authorize him to do what is right at our expense.

The following story tells how little the risk is: J. H. Asher & Co, hardware dealers, Rhinebeck, N. Y., have sold Devco from '76 to now; have sold thousands of gallons and have had just one complaint in all this time.

Three sides of a house was perfect; the fourth was as bad as the three were good.

Explanation—It rained the night before the fourth side was painted; and the painters didn't wait for the wood to dry.

What is done in such a case? Whatever the dealer who sold the paint, considers it fair to do. We leave it to him. He may do exactly what we should if we were there; but we are not there. The best we can do is to leave it to him, Yours truly,

F. W. DEVCO & Co.

New York and Chicago.

P. S. D. C. Purdy & Son sell our paint.
