**GRAND EASTER
Millinery Display**

ALL NEXT WEEK

OUR EASTER MILLINERY EXHIBIT will rival any shown by the State Street stores, and the prices we ask will be about one-half. Last year our Millinery Department gained a most enviable reputation, but our efforts this year will outshine last year's in every respect. Our present display is worthy of the most fastidious taste. We can please you in style and quality and delight you with the cost. Come early and bring your friends. You will not be disappointed.

Easter Gowns and Wraps

Will also be shown in the greatest profusion. This Spring Opening Week has been a glorious success. About 3,000 women visited the store on Opening Day, many of them from Highland Park, Highwood and Lake Forest. Judging by their liberal purchases they were more than pleased with the exceptional offers provided. Every item closed out has been replaced for this Easter Sale, and those of you who failed to attend last week are urged to be on hand for this Easter Event. Ask your friends and come with the assurance that you will not be disappointed.
