

## HIGHWOOD NEWS

Miss Harriet Fox returned this week from Buffalo, New York, where she has been visiting her sister the past six months.

Mrs. Charles Butler is in Cincinnati, Ohio, visiting her mother, who has been very ill.

Mrs. Peter Smith is very ill, at the home of her daughter, Mrs. E. A. Heustis.

A May Concert was given by the Swedish Lutheran Church Choir at the church Thursday evening. It was a very enjoyable affair, and was a success in every way.

Highwood Aerie, F. O. E., initiated sixteen members Thursday night, several of them being from Waukegan.

The graduating exercises of the Highwood School were held yesterday afternoon. Those graduating were Ellen Benson, Florence Seifert, Elizabeth Fagan, Wilhelmina Morren, Hilma Anderson, Laura Alvina Fagan, Milly Elizabeth Kenny Beulah Rose Cummings, Mary Guron and Charles T. Taylor.

Fort Sheridan Park will not be opened this season, except for occasional vaudeville entertainments. It will be let for picnic purposes, and several Chicago Sunday Schools have already arranged to hold picnics there this summer.

The Chicago & Milwaukee Electric Railroad has ordered ten new interurban cars of the Jewett Car Co. of Newark, Ohio, and five of them have already arrived. They are the best that are obtainable for the purpose, 53 feet long, with a smoking compartment, and free from advertising of any kind. The new cars are equipped with four 75 horse power motors, capable of a speed of sixty miles an hour, and cost more than \$10,000 apiece.

The grading of the new right of way of the C. & M. E. R. R., is nearly completed, and the work of laying the rails will be commenced next week. The fill at Clay Avenue is going on slowly, the work of dumping in 16,000 yards of earth being done with scrapers. The new roadbed will abolish five curves and three grades, and will lessen the running time between Highland Park and Lake Forest at least eight minutes. The cost of the improvement will be about \$100,000.

The fire department was called out Tuesday by a small fire in E. A. Heustis woodshed. The flames had gotten considerable headway, but the department soon checked them.

At the meeting of the City Council last Tuesday evening the ordinance fixing the license fee at \$750 per year, payable in advance, was passed, and waits approval to be operative.

**FOR SALE**—Four good lots on Highwood Avenue, opposite the M. E. Church, at \$500 each. Would sell the "bunch" at a bargain. F. C. Clark, Highland Park.

The city has raised the salaries of the police officers, and hereafter we may expect to see them in full uniform on all occasions.

A special meeting of the Board of Local Improvements was held last evening to settle some questions as to sidewalks, sewers, water and electric lights.

Mayor Gibbs has announced the following appointments for the ensuing year:

City collector, Edward A. McTameny; City attorney, S. F. Knox; City marshal, Charles Gordon; assistant, James Gordon; Health department, Mayor Gibbs, Dr. Wescott and John Beskey; Board of Local Improvements, Mayor Gibbs, Alderman Welsh and Alderman Henn.

### Letter to Mr. Casper Rosana, Highland Park, Ill.

Dear Sir: Here's something every painter and builder ought to know.

Mr J J Hall, Sheffield, Pa, painted two houses, 5 years ago, lead-and-oil; took 40 gallons Last year, he painted Devoe; bought 40 gallons; had 10 left.

He is one of thousands. The knowledge is getting about pretty generally, that Devoe goes further than anything else.

Have you found it out in your own experience? How much further?

Suppose a job amounts to 10,000 square feet; how much less Devoe could you buy?

Is it as easy to paint? Does it cost any more or less to put-on by the gallon than anything else? How much?

If it cost no more to put-on Devoe by the gallon, it cost less by the foot, you know; for the gallon does more feet. How much less, do you find it, for wages?

Last, say, twice as long; that is the owner's gain; but perhaps you reckon it yours: some do. The time, when that comes-in, is when he gives-out the next job.

Who gets it?

Yours truly,

F. W. DEVOE & Co.  
New York and Chicago.

P. S. D. C. Purdy & Sons sell our paint.

8. Placing the flowers on the graves.

The Ladies of the Post are invited to send flowers to the Post Chapel up to 9 o'clock Wednesday morning after which time the flowers should be sent to the cemetery.

### Decoration Day

Let us not forget that lying within the beautiful cemetery at Fort Sheridan is many a soldier that gave his life for the defence of his country. Many a mother will think of the quiet spot where her dear boy was laid to rest but she will not be there on Memorial Day to place the flowers on his grave. May we not as citizens of this country for whom those men died, remember their mother's boys on that day by sending flowers or carrying them ourselves, to adorn the place of so many memories. Flowers sent to my residence before 9.30 a. m. on May 30th will be sent to the Fort for the exercises at 10.30.

George D. Rogers,  
Residence 123 St. Johns Avenue.

### Odds and Ends

We think Mark Twain played it real mean on the rest of mankind when he was regaling himself among those Vassar girls. Each girl wanted his autograph and each gave him a kiss for it. They do say he almost contracted a case of writer's cramp in his efforts to gather in as many osculations as possible. We know nothing about Vassar kisses, but when an old patriarch like Mark sets that sort of a trap for them they must be first-rate. The old rascal ought to be ashamed.—Montgomery Advertiser.

#### His Scheme

"Yes, I'm in the lecture business," said the long-haired passenger, "and I'm makin' money. I've got a scheme, I have, and it works like a charm. Big houses wherever I go."

"A scheme?"

"Yes. I alwas advertise that my lectures are for women under thirty years of age, and men out of debt. You just out to see the way the people come trooping in."—Illustrated Bits.

"I wonder if George really loves me?" murmured the maiden. "It is true that for my sake he smokes the cigars with the prettiest bands and saves me the bands." "He does?" He does indeed." "Then you need have no fear. He loves you."—Louisville Courier-Journal.
