Midsummer Entertainment

At the Moraine Hotel Thursday evening July 5th Miss Fucine Finch of New Orleans will appear in her remarkable and inimitable impersonation of Dixie characters.

Miss Finch is a clever artist who has recently captivated New York audiences at Keith and Proctors in her wonderful impersonation of the old time Southern Mommy. The New York Journal says of her:

"The clever young woman has taken New York audiences by storm with her clever and refined interpretation of old time Dixie characters.—Miss Finch gives a genuine portrayal of the ante-bellum negro with all of his infinite variety of characteristics. By her clever suggestive touches with no aid of make-up or costume Miss Finch creates a picture of the typical, red turbaned, jolly visaged Dixie nurse that is as remarkable as it is irresistible."

The people of the North Shore are favored in having this opportunity to enjoy this inimitable artist.
