Boyd Pantlind of Michigan Entertains the Chicago Press Club

J. Boyd Pantlind entertained the Chicago Press Club at Hotel Ottawa, Ottawa Beach, Michigan, June 30th and July 1st. The party numbered 230 persons. It was the first summer outing of the

club. Members and their ladies enjoyed a day light ride across the lake on the steamship Puritan (guests of the Graham & Morton Steamship Co.).

The entertainment at Ottawa Beach began with a dinner Saturday evening, tendered by Mr. Pantlind and the Pere Marquette Railroad. The dinner was followed with speeches by the club's orators, and later with dancing in the hotel ball room. After breakfast Sunday morning, trolley cars (compliments of the Grand Rapids, Holland & Chicago Railway) took the party to Saugatuck, where launches awaited them for a ride on the Kalamazoo River. After an hour's boating, trolley was taken to Hotel Ottawa for lunch. Jenisen Park and its attractions was open to the party for the afternoon. Many availed themselves of trips around Black Lake to Waukazoo and Holland, both easy of access by trolley and boat. Others wandered along the beautiful bathing beach and visited Castle Park, a quaint cottage colony about two miles from the hotel. The party returned to Chicago Sunday night over the Pere Marquette by special train of Pullmans.

Hotel Ottawa is the largest high-class summer hotel easy of access by rail and boat from Chicago. The illustration herewith gives a fair idea of the house. It contains 290 rooms, all with running water, and sixty of the rooms have private baths. The beds are all furnished with box springs and comfortable mattresses. The rooms are neatly furnished and scrupulously clean, and the halls are wide and airy. Round about Hotel Ottawa are verandas eighteen feet wide and double-decked. In the veranda feature, this hotel surpasses any other in the west. It not only affords a promenade and shade at all hours, but there are no less than 400 seats on it. The location of Hotel Ottawa, directly at the inlet to Black Lake, insures a constant breeze, either from the large or the small lake, and almost total absence of mosquitos.

The cuisine of Hotel Ottawa is of the satisfying kind, the foods wholesome and abundant. The kitchen is one of the best equipped, and certainly among the cleanest in the country.

The great event of the year at Ottawa Beach is the yacht races, during the middle of August, closing with Venetian Night, when the hundreds of water craft are decorated and the hills and shores illuminated with thousands of lights, forming a fairy-like spectacle of surpassing beauty. The culmination comes with a blaze of fire-works. The Golf Grounds at Ottawa Beach are open to guests of the hotel.

Notwithstanding the off season of the Michigan resorts last year, Hotel Ottawa proved a success financially under Mr. Pantlind's able management, and this year success is assured. The hotel is only six hours from Chicago. The boat ride, day or night, is pleasant, and the train service is ideal, for parlor and buffet vestibuled cars are run on all Pere Marquette trains, and they run at convenient hours, either a short daylight or an all night ride.

The "Silence Cure"

Nerve specialists are now recommending a "silence cure" for ladies who suffer from nerves. The patients have to set apart certain hours in which no word is spoken. A lady we know tried this treatment with a curious result. She herself came out in a rash, but her husband, who suffered from headaches, recovered.

To the Republicans of the Eighth Senatorial District

I hereby announce myself as a candidate for reelection to the General Assembly, subject to the action of the Senatorial Convention of this District.

Inasmuch as it was the intention of the Legislature that each voter should vote for one candidate for Representative, so that in Districts like the Eighth, each County should have a member in the General Assembly, Lake County at present having the Senator.

I therefore ask the voters of the Republicans of Lake and Boon Counties at the primaries to be held August 4th, 1906, and request that those who wish to vote for me mark a cross in the square opposite my name on the official ballot.

Respectfully,

FRANK R. COVEY.
