

To the Republicans of the Eight Senatorial District

I hereby announce myself as a candidate for reelection to the General Assembly, subject to the action of the Senatorial Convention of this District.

Inasmuch as it was the intention of the Legislature that each voter should vote for one candidate for Representative, so that in District like the Eighth each County should have a member in the General Assembly, Lake County at present having the Senator.

I therefor ask the votes of the Republicans of Lake and Boone Counties at the primaries to be held August 4th, 1906, and request that those who wish to vote for me mark a cross in the square opposite my name on the official ballot.

Respectfully,
FRANK R. COVEY.

Vote for Perry L. Persons for County Judge

Perry L. Persons, candidate for the Republican nomination for County Judge, is a native of Lake County and needs no introduction to the Republican voters, especially of Waukegan where he has been elected three times by them. He is now serving his second term as City Attorney, which office he has filled with credit and where he has made a splendid record as a clean and able official. His wide experience—not only as City Attorney but in private practice—has qualified him to fill the office of County Judge, if elected, with ability, and the increasing sentiment in his favor predicts that he will be a strong candidate in the coming primaries. His candidacy is meeting with strong support in all sections of the County, and, inasmuch as many of the voters feel that a change in office of County Judge is to be made this year, they think that he is the right man for the place. He being the youngest of the four candidates for County Judge, the younger men especially are enthusiastic in his support, which, however, is not limited to any particular class of voters. His home and private life, as well as his public life, is above reproach or criticism, his home being at No. 461 Grand Avenue, Waukegan. Mr. Persons has a natural aversion to asking personal support in the campaign, which is rendered impossible to some extent by the duties of his practice, but is grateful to his many friends for the support and assistance he is receiving and will receive in the County at the primaries Saturday, August 4th, 1906, from 7 A. M. to 5 P. M.
