

W. L. DOUGLAS

Custom Shoes. **UNION MADE.**

Good shoes are the result of good judgment and experience. Our shoes reveal original nicety, made possible by an experience of over a quarter of a century. They fill the place of high-priced shoes because they are just as good. Our immense sales prove that they are appreciated by young men and business men who are looking for the most stylish and serviceable shoes at the lowest price. Compared with other makes, W.L. Douglas shoes are worth \$6 or \$7.

The Grounds of your Country Home or City Residence transformed into places of beauty and idyllic charms. Artificial lagoons with water-fowl and waterlilies, rippling brooks, miniature waterfalls, cascades, rustic bridges, pergolas, fountains, stately old English and Colonial gardens, Italian and formal gardens, French gardens, rock and water gardens, artistic Japanese gardens, parks and public squares. Proper locating of buildings. Selection of home sites. Grading of grounds. Plans for sewage and drainage. Water water supply. Artificial ponds and lakes. Managing and planting of forests. Designing and building of bridges in masonry, timber, steel and iron for highways. Building of roads, and reservoirs. Designing of sea walls, retaining walls and piers of property bordering on lakes and rivers. Laying out and surveying of subdivisions. Designs carefully executed and supervised. Designs for large and small estates. Correspondence invited. Satisfaction absolutely assured.
