

Stein Co
 SEEEET, WAUKEGAN, ILL.

Our Fall Opening will prove the most interesting and profitable event it has ever been your pleasure to attend. Tidings from our buyer, who is in the east, tell us of even greater values in seasonable goods than we have thought possible. He is searching the markets for the best, and, as usual, the opening of the fall season will find this store packed to the doors with seasonable goods of a variety and value unequalled. Watch for the announcement.

Lowest Price on Summer Goods to September 1st

notable and make your own selections. Every article mentioned here is to be sold at just half what the price tag calls for. In other words, if the price tag calls for \$10, you can buy it for \$5. We want to make this statement emphatic—just half. Not a price has been marked up for this sale. Every article listed for this sale represents a clear loss to us, but it is a loss we can well afford if we can secure the room for our fall goods. Remember, for this sale 50c is cut from each dollar marked on the price tag of every item listed.
